

Armanov Magazine Base Pad for Sig Sauer P226, X-Five, LDC Elegance Line - Black - Aluminum

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Magazine Base Pad for Sig Sauer P226, X-Five, LDC Elegance Line.

This magazine pad for Sig Sauer improves the grip of your magazines thanks to deep side grooves and additional surface.

The bottom of this pad is flat and made of a high quality brushed aluminum. It adds +2 extra rounds to increase magazine capacity from 17 to 19.

Compatible with Sig Sauer & Mec-Gar magazines. Made in Europe from one piece aircraft grade aluminum.

Available in black, silver, gold, red or blue.

Includes: Magazine pad + stainless steel quick release plate.

Safety Instruction Guide for Armanov Magazine Base Pad for Sig Sauer P226, XFive, LDC Elegance Line

Introduction

Thank you for choosing the Armanov Magazine Base Pad for your Sig Sauer P226, XFive, or LDC Elegance Line. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the magazine base pad is compatible with your specific magazine model before installation.
- Always handle firearms and magazines with care and in accordance with local laws and regulations.
- Keep the magazine base pad out of reach of children and unauthorized users.
- Regularly inspect the magazine base pad for signs of wear or damage before use.
- If you notice any irregularities or damages, do not use the product and contact the manufacturer.

Specific Safety Precautions for Use

- Do not exceed the magazine capacity of 19 rounds as indicated by the manufacturer.
- Ensure that the magazine is securely attached to the base pad before inserting it into the firearm.
- Avoid using the magazine base pad in extreme conditions (e.g., excessive heat, cold, moisture) to prevent material degradation.
- Always store your magazines and accessories in a safe and dry location when not in use.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Instructions for Installation and Usage

1. Installation of the Magazine Base Pad:

- Ensure that the magazine is unloaded and free of ammunition.
- Remove the existing base pad from the magazine by following the manufacturer's instructions.
- Align the Armanov Magazine Base Pad with the magazine and press firmly until it clicks into place.
- Verify that the base pad is securely attached by gently pulling it to ensure it does not come off.

2. Usage of the Magazine Base Pad:

- Insert the magazine with the attached base pad into your firearm.
- Load the magazine with the appropriate number of rounds (up to 19).
- Ensure the magazine is seated properly in the firearm before use.
- Always follow safe handling practices when operating your firearm.

Disposal Instructions

- Dispose of the magazine base pad in accordance with local regulations regarding aluminum and plastic waste.
- Do not dispose of the product in regular household waste. Instead, recycle where possible.
- If the product is damaged or no longer usable, ensure it is disposed of safely to avoid any hazards.

Contact Information for Further Support

For safety inquiries or concerns, please reach out to your local distributor or consult the manufacturer's website for more information.

By following these guidelines, you can ensure a safe and enjoyable experience with your Armanov Magazine Base Pad. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for your attention to these important safety instructions.
