

# Armanov Magazine Base Pad for Sig Sauer P226, X-Five, LDC Elegance Line - Blue - Aluminum

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

## Magazine Base Pad for Sig Sauer P226, X-Five, LDC Elegance Line.

This magazine pad for Sig Sauer improves the grip of your magazines thanks to deep side grooves and additional surface.

The bottom of this pad is flat and made of a high quality brushed aluminum. It adds +2 extra rounds to increase magazine capacity from 17 to 19.

Compatible with Sig Sauer & Mec-Gar magazines. Made in Europe from one piece aircraft grade aluminum.

Available in black, silver, gold, red or blue.

Includes: Magazine pad + stainless steel quick release plate.

# Armanov Magazine Base Pad Safety Instructions

## Introduction

Thank you for choosing the Armanov Magazine Base Pad for your Sig Sauer P226, XFive, and LDC Elegance Line. This safety instruction guide is designed to help you use the product safely and effectively, ensuring you get the most out of your purchase. Please read this guide carefully before using the magazine base pad.

## General Safety Guidelines

- Ensure the product is suitable for your specific model (Sig Sauer P226, XFive, LDC).
- Always handle firearms and firearm accessories with care and in accordance with local laws and regulations.
- Keep the magazine base pad out of reach of children and unauthorized users.
- Regularly inspect the magazine base pad for any signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Make sure the firearm is unloaded before installing the magazine base pad.
- Follow the installation instructions carefully to avoid improper fitting that may lead to malfunction.

### • Usage Precautions:

- Do not exceed the intended magazine capacity of 19 rounds.
- Avoid using the magazine base pad in extreme temperatures or conditions that may affect its performance.
- Be aware that modifications to the magazine may affect its reliability and safety.

### • Storage Precautions:

- Store the magazine base pad in a cool, dry place.
- Avoid exposure to moisture, chemicals, or extreme temperatures to prolong the life of the product.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing base pad from the magazine by following the manufacturer's instructions.
- Align the Armanov Magazine Base Pad with the magazine and slide it into place until it clicks securely.
- Attach the stainless steel quick release plate as per the included instructions.
- Confirm that the base pad is securely attached before use.

### 2. Usage:

- Load the magazine with the desired number of rounds, ensuring not to exceed the maximum capacity of 19 rounds.
- Insert the magazine into the firearm and ensure it is seated properly.
- Always practice safe firearm handling and follow all local laws and regulations when using your firearm.

## **Disposal Instructions**

- Dispose of the magazine base pad responsibly.
- If the product is damaged or no longer usable, consider recycling it if possible.
- Follow local regulations for disposing of aluminum and other materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Armanov Magazine Base Pad, please refer to the contact information provided by your retailer or distributor. They can assist you with any questions or issues you may have.

Please keep this guide for future reference and ensure all users of the product are aware of these safety instructions. Your safety and the safety of others should always be your top priority when handling firearms and accessories.
