

Armanov Magazine Base Pad for Sig Sauer P226, X-Five, LDC Elegance Line - Orange - Aluminum

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Extension](#)

Magazine Base Pad for Sig Sauer P226, X-Five, LDC Elegance Line.

This magazine pad for Sig Sauer improves the grip of your magazines thanks to deep side grooves and additional surface.

The bottom of this pad is flat and made of a high quality brushed aluminum. It adds +2 extra rounds to increase magazine capacity from 17 to 19.

Compatible with Sig Sauer & Mec-Gar magazines. Made in Europe from one piece aircraft grade aluminum.

Available in black, silver, gold, red or blue.

Includes: Magazine pad + stainless steel quick release plate.

Safety Instruction Guide for Armanov Magazine Base Pad for Sig Sauer P226, XFive, LDC Elegance Line

Introduction

Thank you for choosing the Armanov Magazine Base Pad for your Sig Sauer P226, XFive, and LDC Elegance Line. This guide provides important safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand how to use the magazine base pad correctly and safely.

General Safety Guidelines

- Ensure that the magazine base pad is compatible with your specific model of Sig Sauer firearm.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Inspect the magazine base pad for any visible damage before use. Do not use if damaged.
- Keep the magazine base pad out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recalls or safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- When installing the magazine base pad, ensure that the firearm is unloaded and pointed in a safe direction.
- Use only the specified tools for installation to avoid damaging the magazine or the base pad.
- Do not exceed the recommended magazine capacity of 19 rounds when using the base pad.
- Regularly check that the magazine base pad is securely attached to the magazine before use.
- Avoid exposing the magazine base pad to extreme temperatures or harsh chemicals, as this may affect its integrity.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare the Magazine:** Ensure that the magazine is unloaded and clean.
2. **Remove the Existing Base Pad:**
 - Use a suitable tool to detach the existing base pad from the magazine.
3. **Attach the Armanov Magazine Base Pad:**
 - Align the magazine base pad with the magazine.
 - Press firmly until the base pad clicks into place.
4. **Secure the Quick Release Plate:**
 - Install the stainless steel quick release plate as per the provided instructions.
5. **Final Inspection:**
 - Check that the base pad is securely attached and that there are no gaps.

Usage Instructions

- Load the magazine with the desired number of rounds, ensuring not to exceed the maximum capacity of 19 rounds.
- Insert the magazine into your firearm carefully, ensuring it clicks into place.
- Always practice safe handling of your firearm, keeping it pointed in a safe direction at all times.

Disposal Instructions

- Dispose of the magazine base pad in accordance with local regulations regarding aluminum products.
- If the product is damaged or no longer usable, consider recycling it at a designated recycling facility.

Contact Information for Further Support
