Armanov Magazine Base Pad Safety Instruction Guide

Introduction

Thank you for choosing the Armanov Magazine Base Pad for your Sig Sauer P226, XFive, and LDC Elegance Line. This safety instruction guide provides important information to ensure the safe use and maintenance of your magazine base pad. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the magazine base pad is compatible with your specific model of Sig Sauer before use.
- Always inspect the magazine pad for any signs of damage or wear before installation.
- Keep the magazine base pad out of reach of children and vulnerable individuals.
- Do not use the magazine pad if it shows any signs of malfunction or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The magazine base pad is designed to improve grip and increase magazine capacity. Ensure that it is securely attached to avoid accidental detachment during use.
- Avoid using excessive force when installing or removing the magazine pad to prevent damage.
- Do not exceed the recommended magazine capacity of 19 rounds, as overloading may cause malfunctions.
- Always handle firearms safely and responsibly, following all local laws and regulations.

Instructions for Installation and Usage

1. Installation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing base pad from your magazine by following the manufacturer's instructions.
- Align the Armanov Magazine Base Pad with the magazine and press it firmly until it clicks into place.
- Verify that the base pad is securely attached before loading the magazine.

2. Usage

- Load the magazine with up to 19 rounds, ensuring that the rounds are seated properly.
- Maintain a firm grip on the magazine when inserting or removing it from the firearm.
- Regularly check the magazine for any signs of wear or damage, especially after heavy use.

Disposal Instructions

- Dispose of the magazine base pad in accordance with local regulations for metal recycling.
- Do not dispose of the product in regular household waste.
- Ensure that any discarded items do not pose a hazard to the environment or public safety.
