BGS Malin Holster Safety Instruction Guide

Introduction

Thank you for choosing the BGS Malin Holster for your Arex Delta M, L, X. This guide provides important safety instructions and usage guidelines to ensure your holster is used safely and effectively. Please read this manual carefully before use to understand the product features and safety precautions.

General Safety Guidelines

- Ensure the holster is compatible with your firearm model before use.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Inspect the holster regularly for any signs of wear or damage.
- Do not modify the holster in any way that could affect its performance or safety.
- Always follow local laws and regulations regarding firearm storage and transportation.

Specific Safety Precautions for Use

- When drawing your firearm from the holster, ensure you are in a safe location and that your firearm is pointed in a safe direction.
- Adjust the retention screws on the front of the holster to achieve the desired level of security for your firearm.
- Ensure that any optics or accessories mounted on your firearm do not interfere with the holster's fit or function.
- Avoid using the holster in extreme conditions that may affect its integrity, such as extreme heat or cold.
- If using the holster with a suppressor or extended barrel, ensure that it is properly secured and that it does not obstruct your ability to draw the firearm safely.

Instructions for Installation and Usage

1. Installation:

- Select a suitable belt attachment compatible with the holster's universal mounting pattern.
- Securely attach the holster to your chosen belt system, ensuring that it is firmly in place.
- Adjust the holster's position for optimal comfort and accessibility.

2. Usage:

- To insert your firearm into the holster, ensure the firearm is unloaded and pointed in a safe direction.
- Slide the firearm into the holster until it is fully seated.
- To draw your firearm, grip the holster with one hand, apply pressure to the retention mechanism with your thumb, and draw the firearm with the other hand.
- Practice drawing from the holster in a safe environment to become familiar with its operation.

Disposal Instructions

- When disposing of the holster, do so in accordance with local regulations for plastic and textile waste.
- If the holster is damaged or no longer usable, ensure that it is disposed of in a manner that prevents accidental use or access.

Contact Information for Further Support

For any questions or concerns regarding the use of your BGS Malin Holster, please consult your retailer or visit the manufacturer's website for additional resources and support.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your BGS Malin Holster. Always prioritize safety when handling firearms and holsters. Thank you for your attention to these important safety measures.
