# BGS Belt Loop Safety Instructions

## Introduction

Thank you for choosing the BGS Belt Loop Mid Ride. This product is designed to provide a secure and flexible option for your belt needs. It is important to follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always inspect the belt loop before each use for any signs of wear, damage, or defects.
- Ensure that the belt loop is compatible with your belt and intended use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Do not use the belt loop for purposes other than its intended use as a belt accessory.

## Specific Safety Precautions for Use

- Avoid exposing the belt loop to extreme temperatures or harsh chemicals, as this may affect its integrity and functionality.
- Do not overload the belt loop beyond its designed capacity, as this may lead to failure.
- If you experience any discomfort while using the belt loop, discontinue use immediately and consult a professional.
- In case of an accident or injury related to the use of this product, report it to the appropriate authorities.

## Instructions for Installation and Usage

### 1. Installation:

- Slide the belt loop onto your belt, ensuring it is positioned at the desired location.
- Adjust the belt loop as necessary to achieve a comfortable fit.
- Ensure that the belt loop is securely fastened before use.

### 2. Usage:

- When using the belt loop, ensure that it is properly aligned and not twisted.
- Regularly check the fit of the belt loop during use to ensure it remains secure.
- If adjusting the belt loop while wearing it, do so carefully to avoid pinching or injury.

## Disposal Instructions

- Dispose of the belt loop in accordance with local regulations regarding plastic waste.
- Do not incinerate the product as it may release harmful substances.
- If the product is damaged beyond repair, recycle it if possible.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the BGS Belt Loop, please contact your local distributor or visit the BGS website for further assistance. Remember to check for any recall updates on the EU's Safety Gate platform.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities!
