Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

Specifications:

- Weight: 171 g*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .30
- Features: Integrated cooling fins, durable, corrosion-resistant

Vanward Felt Suppressor Safety Instruction Guide

Introduction

Thank you for choosing the Vanward Felt Suppressor M18X1 H6 .30 Green. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your new suppressor. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure that the suppressor is compatible with your firearm.
- Check local laws and regulations regarding the use of suppressors before purchase and use.
- Inspect the suppressor for any damage or defects before each use.
- Use the suppressor only in accordance with the manufacturer's instructions.
- Keep the suppressor out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the suppressor is securely attached to the firearm before firing.
- Do not exceed the recommended caliber specifications.
- Avoid using the suppressor in wet or corrosive environments without proper maintenance.
- Regularly clean the suppressor to prevent buildup of gun gases and debris.
- Wear appropriate hearing protection when using the suppressor.
- Do not attempt to modify or disassemble the suppressor.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Clean the threaded section of the firearm and the suppressor to ensure a proper fit.
- Align the suppressor with the threaded section of the firearm.
- Gently screw the suppressor onto the firearm until secure. Do not overtighten.
- Check that the suppressor is firmly attached before proceeding.

2. Usage:

- Load the firearm according to the manufacturer's instructions.
- Ensure that the suppressor is clear of any obstructions before firing.
- Fire the firearm in a safe and controlled environment.
- After use, allow the suppressor to cool down before handling.

Disposal Instructions

- Dispose of the suppressor in accordance with local regulations.
- Do not dispose of the suppressor in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Vanward Felt Suppressor, please refer to the official website or

contact customer support through the designated channels provided by the manufacturer.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
