Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

Specifications:

- Weight: 171 g*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .30
- Features: Integrated cooling fins, durable, corrosion-resistant

Attributes

- Name: [Vanward Felt - Surpressor M18X1 H6 - .30 - Khaki](#)

Vanward Felt Suppressor Safety Instruction Guide

Introduction

Thank you for choosing the Vanward Felt Suppressor. This highquality, lightweight suppressor is designed for optimal performance and safety. This guide provides essential safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the suppressor is used only with compatible firearms and ammunition.
- Always follow local laws and regulations regarding the use of suppressors.
- Regularly inspect the suppressor for any signs of damage or wear.
- Store the suppressor in a safe, dry place when not in use.
- Keep the suppressor out of reach of children and unauthorized users.
- Report any incidents or unsafe products to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the suppressor with firearms that are specifically designated for .30 caliber ammunition.
- Do not attempt to modify or disassemble the suppressor.
- Ensure that the suppressor is properly threaded onto the firearm before use.
- Avoid using the suppressor in wet or humid conditions to prevent corrosion.
- Be aware of the surroundings when using the suppressor to avoid accidents.
- Always wear appropriate hearing protection when using firearms equipped with a suppressor.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threaded section of the firearm to remove any debris.
- Align the suppressor with the threaded section of the firearm.
- Carefully screw the suppressor onto the firearm until secure. Do not overtighten.

2. Usage

- Always check that the suppressor is securely attached before firing.
- Use the suppressor only in accordance with the manufacturer's instructions.
- Maintain a safe distance from others while firing.
- After use, allow the suppressor to cool down before handling.

Disposal Instructions

- Dispose of the suppressor according to local regulations regarding metal waste.
- Do not throw the suppressor in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Vanward Felt Suppressor, please reach out to the designated EU contact point for assistance.

Thank you for prioritizing safety and compliance while using the Vanward Felt Suppressor. Enjoy your experience

responsibly!
