Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

Specifications:

- Weight: 171 g*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .30
- Features: Integrated cooling fins, durable, corrosion-resistant

Vanward Felt Suppressor Safety Instructions

Introduction

Thank you for choosing the Vanward Felt Suppressor M18X1 H6 .30 Black. This highquality, 3Dprinted titanium suppressor is designed for safety and performance. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the suppressor is used only with compatible firearms and ammunition.
- Always wear appropriate protective gear, including ear protection and safety glasses, when using the suppressor.
- Keep the suppressor out of reach of children and unauthorized users.
- Regularly inspect the suppressor for any signs of damage or wear. Do not use if damaged.
- Store the suppressor in a secure and dry place when not in use.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to malfunctions or accidents.
- Exposure to high temperatures during use may cause burns.
- The suppressor may accumulate gun gases and residues; ensure proper cleaning and maintenance.

• Instructions to Avoid Hazards:

- Always follow the manufacturer's installation and usage instructions.
- Allow the suppressor to cool before handling after use.
- Clean the suppressor regularly to prevent buildup of residues.

• Age and AudienceSpecific Warnings:

- This product is intended for adult users only. Keep away from children.
- Ensure that users are trained and knowledgeable about firearm safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Clean the threaded section of the firearm to remove any debris.
- Align the suppressor with the threaded section and handtighten it securely. Do not overtighten.
- Check for proper alignment and ensure there are no gaps.

2. Usage:

- Always ensure that the suppressor is securely attached before firing.
- Use only with compatible calibers, specifically .30 caliber (.308).
- Follow all local laws and regulations regarding the use of suppressors.

3. PostUse Care:

- After use, allow the suppressor to cool before handling.
- Clean the suppressor according to the manufacturer's instructions to maintain performance and safety.

Disposal Instructions

- Dispose of the suppressor in accordance with local regulations regarding hazardous materials.
- Do not dispose of the suppressor in regular household waste.
- If the suppressor is damaged beyond repair, contact a qualified waste disposal service for proper disposal.

Contact Information for Further Support

For further support or inquiries about the Vanward Felt Surpressor, please refer to the product packaging or visit the manufacturer's website for contact details. Always ensure you are seeking assistance from authorized personnel.

Thank you for your attention to these safety instructions. Enjoy using your Vanward Felt Surpressor responsibly and safely.
