

# Felt - Surpressor M18X1 H6 - 6.5mm - Green

[Rifle Parts](#) > [Muzzle Devices](#) > [Suppressors](#)

## Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g\*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

### Specifications:

- Weight: 171 g\*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .264/6.5
- Features: Integrated cooling fins, durable, corrosion-resistant

### Attributes

- Name: [Vanward Felt - Surpressor M18X1 H6 - 6.5mm - Green](#)

# Vanward Felt Suppressor Safety Instruction Guide

## Introduction

Thank you for choosing the Vanward Felt Suppressor M18X1 H6 6.5mm Green. This highquality suppressor is designed for safety and performance. Please read this safety instruction guide carefully to ensure safe usage and maintenance of your product.

## General Safety Guidelines

- Always use the suppressor in accordance with local laws and regulations.
- Ensure that the suppressor is compatible with your firearm before use.
- Regularly inspect the suppressor for any signs of wear or damage.
- Keep the suppressor out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Weight Consideration:** The suppressor weighs 171 g. Ensure your firearm can handle the additional weight without affecting balance or control.
- **Material Safety:** The suppressor is made from Grade 5 Titanium and stainless steel. While it is corrosionresistant, avoid exposure to extreme environmental conditions.
- **Heat Management:** The suppressor can become very hot during use. Allow it to cool down before handling.
- **Thread Compatibility:** Ensure proper threading on your firearm to prevent any accidents during installation or removal.
- **Ammunition Type:** Use only approved ammunition types to avoid damaging the suppressor or firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Clean the threaded section of the firearm to remove any debris.
- Align the suppressor with the threaded section and turn clockwise until secure. Do not overtighten.
- Check for a secure fit before proceeding to use.

### 2. Usage:

- Always wear appropriate hearing protection when shooting.
- Ensure that the suppressor is properly attached before firing.
- Use the suppressor only in a controlled environment, away from flammable materials.
- Monitor the suppressor during use for any unusual sounds or performance issues.

### 3. PostUse Maintenance:

- Allow the suppressor to cool before removing it from the firearm.
- Clean the suppressor according to the manufacturer's instructions to maintain performance.
- Store the suppressor in a dry and secure location.

## Disposal Instructions

- Dispose of the suppressor in accordance with local regulations.
- Do not dispose of the suppressor in regular household waste.

- Contact local authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Vanward Felt Suppressors, please refer to the manufacturer's website or customer support channels.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Vanward Felt Suppressors!
