## Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g\*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

### Specifications:

- Weight: 171 g\*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .264/6.5
- Features: Integrated cooling fins, durable, corrosion-resistant

### Attributes

- Name: [Vanward Felt - Suppressor M18X1 H6 - 6.5mm - Black](#)

# Vanward Felt Suppressor Safety Instruction Guide

## Introduction

Thank you for choosing the Vanward Felt Suppressor. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use, install, and dispose of your suppressor safely.

## General Safety Guidelines

- Ensure safe use of the suppressor in compliance with all local laws and regulations.
- Familiarize yourself with the suppressor's features and specifications before use.
- Always wear appropriate safety gear, including ear protection and eye protection, when using firearms equipped with a suppressor.
- Store the suppressor in a safe location away from children and unauthorized users.
- Regularly inspect the suppressor for any signs of wear or damage before each use.
- If you notice any irregularities or damage, discontinue use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Only use the Vanward Felt Suppressor with compatible firearms and ammunition.
- Ensure the suppressor is securely attached to the firearm before firing.
- Do not attempt to disassemble or modify the suppressor in any way.
- Avoid using the suppressor in wet or corrosive environments to maintain its integrity.
- Do not exceed the maximum pressure ratings specified for the suppressor to prevent malfunctions.
- Be aware of your surroundings and ensure a safe shooting environment to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threaded section of the firearm to remove any debris or dirt.
- Align the suppressor with the threaded section of the firearm.
- Gently screw the suppressor onto the firearm until it is securely fastened. Do not overtighten.
- Doublecheck the attachment to ensure it is secure before use.

### 2. Usage:

- Always follow the manufacturer's guidelines for ammunition selection.
- After installation, perform a function check to ensure proper operation.
- When firing, maintain a steady grip on the firearm and be aware of any recoil.
- After use, allow the suppressor to cool before handling to avoid burns.

## Disposal Instructions

- Dispose of the suppressor in accordance with local regulations regarding metal recycling.
- If the suppressor is damaged or no longer usable, contact local waste management authorities for proper disposal methods.
- Do not dispose of the suppressor in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Vanward Felt Suppressor, please reach out to the designated EU contact point for safety inquiries. Ensure you have your product details available for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Vanward Felt Suppressor. Always prioritize safety and compliance with local laws. Thank you for your attention to these important safety measures.
