

Felt - Surpressor M18X1 H6 - 6.5mm - Titanium

[Rifle Parts](#) > [Muzzle Devices](#) > [Suppressors](#)

Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

Specifications:

- Weight: 171 g*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .264/6.5
- Features: Integrated cooling fins, durable, corrosion-resistant

Vanward Felt Suppressor Safety Instruction Guide

Introduction

Thank you for choosing the Vanward Felt Suppressor. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your suppressor. Please read this manual thoroughly before use.

General Safety Guidelines

- Always ensure the suppressor is compatible with your firearm before use.
- Use the suppressor only for its intended purpose.
- Keep the suppressor out of reach of children and unauthorized users.
- Regularly inspect the suppressor for any signs of damage or wear.
- Do not modify the suppressor in any way.
- Follow all local laws and regulations regarding suppressor use.

Specific Safety Precautions for Use

- **Weight Consideration:** The suppressor weighs 171 g. Ensure your firearm can accommodate this weight without affecting balance or handling.
- **Material Awareness:** The suppressor is constructed from Grade 5 Titanium and stainless steel. While these materials are durable, they can still be affected by extreme heat or physical damage.
- **Corrosion Resistance:** The suppressor is designed to resist water, salts, and gun gases. However, it is still important to clean and maintain the suppressor regularly to prevent buildup and corrosion.
- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger individuals do not have access to the suppressor.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and safe before installing the suppressor.
- Clean the threaded section of the firearm to remove any debris or residue.
- Align the suppressor with the threaded section of the firearm.
- Gently screw the suppressor onto the firearm until it is securely fastened. Do not overtighten.

2. Usage:

- Always wear appropriate hearing protection when using the suppressor.
- Before firing, check that the suppressor is securely attached.
- Fire the firearm in a safe and controlled environment.
- Monitor the suppressor for any signs of overheating or damage during use.

3. PostUse:

- Allow the suppressor to cool down after use before handling.
- Clean the suppressor according to the manufacturer's recommendations.
- Store the suppressor in a secure location, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of the suppressor in accordance with local regulations.
- If the suppressor is damaged beyond repair, consult local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Vanward Felt Suppressor, please consult your local dealer or the manufacturer's website for more information. Always keep the product manual for future reference.

Important Note: This product complies with the EU General Product Safety Regulation (GPSR). For any safety inquiries or reports of unsafe products, please refer to the EU's Safety Gate platform.
