Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

Specifications:

- Weight: 171 g*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .223/5.56
- Features: Integrated cooling fins, durable, corrosion-resistant

Vanward Felt Suppressor M18X1 H6 .223Rem

Green Safety Instruction Guide

Introduction

Thank you for choosing the Vanward Felt Suppressor M18X1 H6. This highquality suppressor is designed for optimal performance and safety. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always handle the suppressor with care and respect, as it is a firearm accessory.
- Ensure that all firearms are unloaded before attaching or detaching the suppressor.
- Keep the suppressor out of reach of children and unauthorized users.
- Inspect the suppressor regularly for any signs of damage or wear.
- Use the suppressor only with compatible firearms and ammunition.
- Always wear appropriate hearing protection when using firearms equipped with a suppressor.
- Follow all local laws and regulations regarding the use of suppressors.

Specific Safety Precautions for Use

When using the Vanward Felt suppressor, please observe the following precautions:

- Ensure the suppressor is properly threaded onto the firearm before use.
- Do not exceed the recommended caliber specifications (.223 Remington, 5.56 mm NATO).
- Avoid exposure to extreme temperatures and harsh environmental conditions.
- Do not attempt to modify or disassemble the suppressor.
- Always clean the suppressor according to the manufacturer's guidelines to prevent buildup of gun gases and residue.
- If you notice any unusual sounds or performance issues while using the suppressor, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

To ensure safe installation and usage of the Vanward Felt suppressor, please follow these steps:

1. Installation:

- Ensure that the firearm is unloaded.
- Clean the threaded section of the firearm to remove any debris.
- Align the suppressor's threads with the firearm's threaded barrel.
- Gently screw the suppressor onto the barrel by turning it clockwise until it is securely attached. Do not overtighten.
- Check that the suppressor is firmly attached before proceeding to use the firearm.

2. Usage:

- Always wear appropriate eye and ear protection when using the firearm with the suppressor.
- Ensure that you are in a safe shooting environment, following all local laws and regulations.
- Fire the weapon as per standard operating procedures for your specific firearm, keeping in mind the suppressor's characteristics.

- After use, allow the suppressor to cool down before handling, as it may become hot during operation.

Disposal Instructions

To dispose of the Vanward Felt suppressor, please follow these guidelines:

- Do not throw the suppressor in the regular trash.
- Contact your local waste management authorities for information on proper disposal methods for firearm accessories.
- If the suppressor is damaged or no longer usable, consider recycling the titanium and stainless steel components where applicable.

Contact Information for Further Support

For any safety inquiries or support regarding the Vanward Felt suppressor, please reach out to your local authorized dealer or manufacturer representative. Ensure that you have the product details ready for efficient assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Vanward Felt suppressor. Thank you for your attention to safety!
