## Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g\*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

### Specifications:

- Weight: 171 g\*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .223/5.56
- Features: Integrated cooling fins, durable, corrosion-resistant

### Attributes

- Name: [Vanward Felt - Surpressor M18X1 H6 - .223Rem - Black](#)
- Manufacturer: [Vanward](#)
- Product no.: BRD271011
- Mfr. No.: FB223
- Caliber: 223 Remington, 5.56 mm NATO
- Color: Black
- Material: Grade 5 Titanium
- Delivery weight: 0.171kg
- Shipping height: 42mm
- Shipping width: 42mm
- Shipping length: 135mm

# Vanward Felt Suppressor Safety Instructions

## Introduction

Thank you for choosing the Vanward Felt Suppressor. This highquality, 3Dprinted titanium suppressor is designed for optimal performance and safety. This guide provides essential safety instructions and guidelines for the safe use and maintenance of your suppressor. Please read this document carefully to ensure a safe and effective experience.

## General Safety Guidelines

- Ensure that the suppressor is compatible with your firearm before use.
- Always handle firearms and suppressors with care and follow all safety protocols.
- Keep the suppressor out of reach of children and unauthorized users.
- Regularly inspect the suppressor for any signs of damage or wear.
- Do not use the suppressor if it is damaged or shows signs of excessive wear.
- Always wear appropriate hearing protection when using firearms with a suppressor.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- **Weight Limitations:** The Vanward Felt suppressor weighs 171 g. Ensure your firearm can support this weight without affecting balance or handling.
- **Material Safety:** The suppressor is made from Grade 5 Titanium and stainless steel. Avoid exposing it to extreme temperatures or corrosive environments that could affect its integrity.
- **Thread Compatibility:** Ensure the threaded section of the suppressor is compatible with your firearm's muzzle threads (M18X1).
- **Caliber Restrictions:** This suppressor is designed for use with .223 Remington and 5.56 mm NATO calibers only. Using it with other calibers may result in safety hazards.
- **Cooling Period:** Allow the suppressor to cool down after use before handling to prevent burns.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Clean the muzzle threads of your firearm to remove any debris.
- Align the suppressor's threaded section with the firearm's muzzle threads.
- Gently screw the suppressor onto the muzzle until secure. Do not overtighten.
- Check for proper alignment and ensure the suppressor is securely attached.

### 2. Usage:

- Always confirm that the suppressor is securely attached before firing.
- Follow the manufacturer's instructions for your firearm regarding the use of suppressors.
- Use appropriate ammunition that matches the suppressor's specifications.
- After firing, allow the suppressor to cool before removing it from the firearm.

## Disposal Instructions

- Dispose of the suppressor in accordance with local regulations.
- Do not dispose of the suppressor in regular household waste.
- If the suppressor is damaged or no longer usable, consult local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Vanward Felt Suppressor, please reach out to the manufacturer or your retailer. They will provide assistance and further information about product safety and usage.

By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your Vanward Felt Suppressor. Thank you for your attention to safety.
