Vanward Felt - High-Quality 3D-Printed Titanium Suppressor

Weighing just 171 g*, the Vanward Felt is a lightweight yet highly durable suppressor, evolved from TE-Titan's advanced 3D-printed designs. Optimized baffle spacing enhances pressure equalization, while the hexagonal exterior boosts stability and surface cooling.

Constructed in one piece from Grade 5 Titanium with no loose parts for maximum safety. The threaded section is made from stainless steel. Titanium resists water, salts, and gun gases while preventing powder buildup better than aluminum or steel.

Specifications:

- Weight: 171 g*
- Material: Grade 5 Titanium, Stainless Steel Thread
- Calibers: .223/5.56
- Features: Integrated cooling fins, durable, corrosion-resistant

Vanward Felt Suppressor Safety Instruction Guide

Introduction

Thank you for choosing the Vanward Felt Suppressor M18X1 H6 .223Rem Titanium. This guide provides essential safety instructions to ensure the safe and effective use of your suppressor. Please read this manual carefully before use.

General Safety Guidelines

- Always ensure that the suppressor is compatible with your firearm before installation.
- Store the suppressor in a dry and secure place when not in use.
- Regularly inspect the suppressor for any signs of damage or wear.
- Follow all local laws and regulations regarding the use of suppressors.
- Keep the suppressor out of reach of children and unauthorized users.
- In case of any malfunction or accident, report it to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended caliber specifications.
- Avoid using the suppressor in adverse weather conditions, such as heavy rain or extreme temperatures.
- Ensure the suppressor is properly attached before firing.
- Always wear appropriate eye and ear protection when using firearms with a suppressor.
- Do not attempt to disassemble or modify the suppressor.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threaded area of the firearm to remove any debris.
- Align the suppressor's threads with the firearm's muzzle.
- Gently screw the suppressor onto the muzzle until it is securely fastened.
- Check for proper alignment and ensure it is tight before use.

2. Usage

- Load your firearm with the appropriate ammunition (.223 Remington or 5.56 mm NATO).
- Position yourself in a stable shooting stance.
- Aim your firearm at the target and ensure a clear line of sight.
- Fire the weapon while maintaining control and awareness of your surroundings.
- After use, allow the suppressor to cool before handling.

Disposal Instructions

- Dispose of the suppressor in accordance with local laws and regulations.
- Do not throw the suppressor in regular household waste.
- If the suppressor is damaged or no longer usable, contact a professional for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Vanward Felt Suppressor, please reach out to the designated EU contact point for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Vanward Felt Suppressor. Thank you for your attention to safety.
