

Chisel - Aluminum Stock Pistol Grip - Henry

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

CNC'd 6061 solid billet-aluminum stock for the Henry Lever Gun series of rifles. This stock features a FULLY ambidextrous, adjustable-height cheek piece, as well as an adjustable-height butt-pad. The Hoptic Longbow or 8 Round Soft Quiver is NOT INCLUDED, but can be added above. They are the perfect accessories to the stock!

Fitment: This stock should be an easy drop-in replacement for the Henry pistol-grip lever action series of rifles (to include the X-Models).

Straight-grip conversion: This stock WILL allow you to convert your straight-grip rifle to a pistol-grip style rifle, HOWEVER, you will need to purchase a pistol-grip lever for the action to work. These are available from us. The stock straight-grip lever will not work. Model X's are already a pistol-grip. You DO NOT need a different lever.

Known Potential Fitment Issues: NO KNOWN fitment issues.

Safety Instruction Guide for Chisel Aluminum Stock Pistol Grip

Introduction

Thank you for choosing the Chisel Aluminum Stock Pistol Grip for your Henry Lever Gun series of rifles. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the stock.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Keep the stock and any firearm parts out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- If you experience any issues while using the stock, cease use immediately and seek professional assistance.

Specific Safety Precautions for Use

- This stock is designed for use with the Henry pistolgrip lever action series of rifles. Ensure compatibility before installation.
- When converting a straightgrip rifle to a pistolgrip style, purchase a compatible pistolgrip lever from an authorized dealer.
- Do not attempt to use the stock with any other models unless specified.
- Check that all screws and fasteners are securely tightened before use to prevent any malfunction.
- Avoid using the stock in extreme temperatures or conditions that may affect its integrity.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded.
- Gather necessary tools for installation (screwdriver, etc.).

2. Installation:

- Remove the existing stock from your Henry rifle by loosening and removing the screws.
- Align the Chisel Aluminum Stock with the rifle's receiver.
- Insert screws and tighten securely without overtightening to avoid damage.
- If converting from a straightgrip to a pistolgrip style, ensure the new pistolgrip lever is properly installed according to the manufacturer's instructions.

3. Usage:

- Adjust the cheek piece and butt pad to your preferred height for comfort.
- Practice safe handling and operation of your firearm at all times.
- Always maintain proper shooting stance and grip while using the rifle.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- If the stock is damaged beyond repair, consider recycling the aluminum material where possible.
- Do not dispose of the stock in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the Chisel Aluminum Stock Pistol Grip, please refer to the manufacturer's contact details provided with your purchase. Ensure you have your product details handy for quick assistance.

Thank you for choosing Chisel products. Your safety is our priority. Please adhere to these guidelines to ensure a safe and enjoyable experience with your firearm.
