

Chisel - Aluminum Stock Pistol Grip - Marlin

The high-quality aluminum stock from **Chisel Machining** is the perfect upgrade for Marlin Lever-Action rifle owners seeking maximum stability, precision, and modularity. Made from a solid block of **6061 billet aluminum**, this stock offers an extremely durable and robust enhancement with a modern look and functional design.

Thanks to the fully ambidextrous, height-adjustable cheek rest and an adjustable butt pad, the stock can be perfectly tailored to the shooter's needs — whether for hunting, sport shooting, or tactical use.

- **Material:** CNC-machined from 6061 billet aluminum
- **Compatibility:** Drop-in replacement for Marlin 1895, 1894, and 336 models with pistol grip (1970 and newer)
- **Ambidextrous:** Fully ambidextrous design for left- and right-handed shooters
- **Ergonomics:** Height-adjustable cheek rest and butt pad for maximum comfort
- **Pistol Grip:** Designed for pistol-grip rifles or conversion from straight-grip models (separate pistol grip lever required)
- **Optics & Accessories:** Compatible with Hoptic Longbow and Soft Quiver (not included)
- **Fitment:** Generally a precise fit; minor gunsmithing may be needed on older Marlin rifles
- **Design:** Tactical appearance with durable, precision CNC machining

Note: Hoptic Longbow or 8-round Soft Quiver are not included but can be purchased separately.

Chisel Aluminum Stock Pistol Grip Safety Instructions

Introduction

Thank you for choosing the Chisel Aluminum Stock Pistol Grip for your Marlin LeverAction rifle. This product is designed for enhanced stability, precision, and modularity. To ensure safe usage and maximize the benefits of your new stock, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is compatible with your specific Marlin model (1895, 1894, or 336) manufactured from 1970 onwards.
- Always handle firearms with care and follow standard firearm safety rules.
- Inspect the stock for any visible damage or defects before installation.
- Keep the stock and all related components out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before installation or adjustment of the stock.
- Do not exceed the weight limit of the stock as specified in the manufacturer's guidelines.
- Use the stock only with compatible Marlin models; improper use may lead to malfunction or injury.
- If you experience any discomfort or instability while using the stock, discontinue use immediately and seek assistance.
- Ensure that all adjustments (cheek rest and butt pad) are securely locked in place before use.
- When using the stock for tactical purposes, ensure that you are trained in safe handling and operation of firearms.

Instructions for Installation and Usage

1. Installation

- Remove the existing stock from your Marlin rifle by following the manufacturer's instructions.
- Align the Chisel Aluminum Stock with the rifle's receiver.
- Securely attach the stock using the provided screws, ensuring a tight fit.
- Adjust the height of the cheek rest and butt pad to your preference.
- Check that all components are securely fastened before use.

2. Usage

- When aiming, ensure that your cheek rests comfortably against the cheek rest for optimal sight alignment.
- Maintain a firm grip on the pistol grip while shooting to ensure control and accuracy.
- Regularly inspect the stock for any signs of wear or damage and address any issues immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding aluminum and firearm accessories.
- Do not dispose of the stock in regular household waste. Instead, take it to a designated recycling facility.
- Ensure that all components are disposed of safely to prevent any potential hazards to individuals or the environment.

Contact Information for Further Support

For any questions or concerns regarding the Chisel Aluminum Stock Pistol Grip, please refer to the manufacturer's contact details provided on the packaging or visit the official website for additional support and resources.

By following these safety instructions, you can enjoy the benefits of your new Chisel Aluminum Stock while ensuring a safe and enjoyable shooting experience. Thank you for your attention to these important guidelines.
