Benelli M4 Billet-Aluminum Stock

You asked. We delivered – again. Introducing the long-awaited **Benelli M4 Stock**, precision-machined from solid 6061 billet aluminum and packed with all the performance features you love from our other designs. Yes – it **fits the M4**, and yes – it includes a **built-in RMR mounting plate** for rapid target acquisition and optimal sight alignment.

No folding needed. The M4's recoil system lives in the stock – and now, so does pure performance.

Key Features:

- CNC'd from solid 6061 billet-aluminum
- Adjustable length-of-pull (~11.75" to ~14.25" in 1/4" increments)
- Adjustable cheek pad & recoil pad height (Kick-Eez pads included)
- **Integrated RMR mounting plate** with near-eye relief
- Comes with AR-style grip
- 4 QD sling mounting points (includes 1 GrovTec steel QD cup)
- Anodized black finish for durability
- Quick, hassle-free installation with included hardware
- **Fits Benelli M4** only – not compatible with Turkish clones or variants

Note: This stock **does NOT fold** – M4's recoil spring system prevents that by design.

Chisel Benelli M4 Stock Safety Instruction Guide

Introduction

Thank you for choosing the Chisel Benelli M4 Stock. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure you are familiar with the operation of your Benelli M4 firearm before using the stock.
- Always handle your firearm responsibly and follow all applicable laws and regulations.
- Store the stock and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear. Do not use if damaged.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- This stock is designed specifically for the Benelli M4 and is not compatible with Turkish clones or variants.
- The stock does not fold due to the M4's recoil spring system. Do not attempt to force it to fold.
- Ensure the stock is securely attached to the firearm before use.
- Use only compatible accessories and attachments as specified in this guide.
- Adjust the lengthofpull and cheek pad height only when the firearm is not loaded and pointed in a safe direction.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Benelli M4 according to the manufacturer's instructions.
- Align the Chisel Benelli M4 Stock with the receiver of the firearm.
- Securely attach the stock using the provided hardware. Ensure all screws are tightened to prevent movement during use.
- Install the integrated RMR mounting plate if you plan to use an RMR sight.

2. Adjustments

- To adjust the lengthofpull, simply slide the stock to the desired length, ensuring it clicks into place.
- Adjust the cheek pad and recoil pad height by loosening the screws, positioning them as needed, and then tightening the screws securely.

3. Usage

- Once installed, check the stock's stability before firing.
- Practice proper firearm handling and safety protocols during use.
- After use, clean the stock and firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the Chisel Benelli M4 Stock in accordance with local regulations.
- Do not dispose of the stock in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please contact the manufacturer directly. Ensure you have your product information available for reference.

Thank you for your attention to these safety guidelines. Enjoy the performance and reliability of your Chisel Benelli M4 Stock.
