

Chisel - Beretta A300 & Ultima Patrol Stock

Beretta A300 & Ultima Patrol Billet-Aluminum Stock

It's finally here – the **CNC'd aluminum stock for Beretta A300 & Ultima Patrol**. Rugged, adjustable, and optics-ready, this stock brings everything you love about our previous Beretta designs, now tailored specifically for your A300.

Fast install. Lightweight. Perfect for red-dot bird hunting or clays.

Key Features:

- Machined from 6061 solid billet aluminum
- Adjustable length-of-pull (~11.5" to ~14" in 1/4" increments)
- Height-adjustable cheek pad & recoil pad (Kick-Eez included)
- **Integrated RMR mounting plate** with near-eye relief
- AR-style grip included
- 4 QD sling mount positions (1 GrovTec steel QD cup included)
- Anodized black for protection & durability
- Purpose-built for Beretta A300 / Ultima Patrol
- Does NOT fold – A300 uses a rear recoil buffer system like the M4
- Installs quickly using stock hardware & basic tools

Cerakote work shown in some images by Dave Modz Customs (not included)

Chisel Beretta A300 & Ultima Patrol Stock Safety Instructions

Introduction

Thank you for choosing the Chisel Beretta A300 & Ultima Patrol Stock. This guide provides essential safety instructions to ensure the safe use of your new product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the stock with care to avoid injury.
- Keep the stock out of reach of children and vulnerable individuals.
- Regularly inspect the stock for wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use only the provided hardware and basic tools for installation.
 - Ensure that all parts are securely fastened before use.
- **Usage Safety:**
 - Always wear appropriate eye and ear protection when using firearms.
 - Ensure that the firearm is unloaded when installing or adjusting the stock.
 - Do not attempt to modify the stock, as this may compromise safety and performance.
- **Age Restrictions:**
 - This product is designed for adult users. Keep it away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools and hardware included with the stock.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from the Beretta A300 or Ultima Patrol as per the manufacturer's instructions.
- Align the new Chisel stock with the receiver of the firearm.
- Securely fasten the stock using the provided hardware, ensuring it is tightened to the manufacturer's specifications.

2. Adjustments:

- Adjust the length of pull by utilizing the adjustable features of the stock.
- Ensure the cheek pad and recoil pad are height adjustable to fit your shooting style comfortably.

3. Usage:

- Before each use, check that the stock is properly installed and that all adjustments are secure.
- Use the stock for its intended purpose: bird hunting or clay shooting.
- Follow all safety protocols related to firearm use.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the stock in regular household waste.
- If the product is damaged or no longer in use, consider recycling metal components where facilities are available.

Contact Information for Further Support

For safety inquiries or additional support regarding the Chisel Beretta A300 & Ultima Patrol Stock, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy your new stock, and always prioritize safety when handling firearms.
