Hoptic Longbow Quiver Safety Instruction Guide

Introduction

Thank you for choosing the Hoptic Longbow Quiver. This product is designed to securely carry .44 Rem Mag and .44 Special cartridges, ensuring convenient access during your outdoor activities. This guide provides essential safety instructions and guidelines to ensure the safe use of your quiver in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the quiver is used only for its intended purpose: carrying .44 Rem Mag and .44 Special cartridges.
- Always check the quiver for any damage before use. Do not use if damaged.
- Store the quiver in a cool, dry place away from direct sunlight and moisture.
- Keep the quiver out of reach of children and vulnerable individuals.
- Regularly inspect the adjustable cartridge tension to ensure it is functioning correctly.
- If you notice any unusual wear or malfunction, discontinue use and contact customer support.

Specific Safety Precautions for Use

- Use the quiver only with compatible cartridges: .44 Rem Mag and .44 Special.
- Ensure cartridges are securely held in the quiver to prevent accidental discharge.
- Avoid overloading the quiver beyond its intended capacity.
- Do not modify the quiver in any way that could compromise its safety or functionality.
- Be aware of your surroundings when accessing cartridges from the quiver, ensuring that no one is in the line of fire.
- Always follow local laws and regulations regarding the transport and use of firearms and ammunition.

Instructions for Installation and Usage

1. Installation:

- Attach the quiver to your gear using the included MLoc hardware, following the manufacturer's instructions.
- Ensure that the quiver is securely fastened and does not shift during use.

2. Usage:

- Adjust the cartridge tension as needed to ensure a secure fit for the cartridges.
- When retrieving a cartridge, do so carefully to avoid dropping or mishandling it.
- After use, store the quiver in a safe location, ensuring that it is not accessible to unauthorized individuals.

Disposal Instructions

- Dispose of the quiver in accordance with local regulations for waste disposal.
- If the quiver is no longer usable, consider recycling components where possible.
- Do not dispose of the quiver in fire or water bodies.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please refer to the contact information

provided with your purchase. Always ensure that you have the latest updates regarding product recalls and safety notices by checking the EU Safety Gate platform.

Thank you for your attention to these safety guidelines. Enjoy your experience with the Haptic Longbow Quiver, and stay safe!
