## NEU! OA Active MAG - Made in Germany!

### Leistungsstarkes Multikaliber-Magazin für .223Rem./ .300BLK

Das neue OA Active MAG liefert exzellente Performance und überzeugt mit genialem Design, perfekter Funktion und sicherem Handling.

Das EU gesetzeskonforme 10-Schuss-Magazin angelehnt in Optik und Handling am 30-Schuss OA Duty MAG eignet sich optimal für dynamisches Schießen.

Jedem Active MAG liegt ein kurzer Standard-Magazinboden bei. Dadurch kann es auch als kurzes Magazin genutzt werden - praktisch für Jagd oder statische Disziplinen!

Der Magazinkörper besteht aus hochfestem glasfaserverstärktem Polymer, die Federn aus rostfreiem Federstahl. Der signalrote Anti-Tilt-Follower sorgt für verbesserte Gleiteigenschaften. Die stylische Golfballoberfläche bewirkt eine hervorragende Griffigkeit. Zu Reinigungszwecken kann das Active MAG bequem zerlegt werden.

# Safety Instruction Guide for OA Active Mag 5.56x45mm/.300BLK, 10 Rounds

## Introduction

Thank you for choosing the OA Active Mag 5.56x45mm/.300BLK. This product is designed for optimal performance and safety. Please read this safety instruction guide carefully to ensure proper use and maintenance of the magazine.

## General Safety Guidelines

- Ensure the magazine is used only with compatible firearms.
- Always handle the magazine with care to prevent accidents.
- Store the magazine in a safe, dry place away from children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Always treat the magazine as if it is loaded, even when it is not.
- Do not exceed the maximum capacity of 10 rounds.
- Avoid exposing the magazine to extreme temperatures, moisture, or chemicals.
- Ensure the magazine is properly seated in the firearm before use.
- Do not attempt to disassemble the magazine while it is loaded.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before inserting the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Usage:

- Confirm that the magazine is securely in place before firing.
- If the magazine fails to feed properly, remove it and inspect for obstructions or damage.
- To remove the magazine, press the magazine release button and pull the magazine out of the firearm.

### 3. Cleaning and Maintenance:

- Periodically clean the magazine to ensure optimal performance.
- To disassemble the magazine for cleaning:
  - Remove the magazine from the firearm.
  - Press the magazine base plate to release it.
  - Remove the follower and spring for cleaning.
  - Reassemble the magazine after cleaning.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, ensure it is disposed of in a manner that prevents

unauthorized use.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the OA Active Mag, please refer to your local distributor or the manufacturer's website for additional information.

By following these guidelines, you can ensure the safe and effective use of the OA Active Mag 5.56x45mm/.300BLK. Your safety and the safety of others is paramount. Thank you for your attention to these important instructions.
