

OA Active Mag 5.56x45mm/.300BLK, 10 Schuss/Rounds - Olive - 10-Round

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

NEU! OA Active MAG - Made in Germany!

Leistungsstarkes Multikaliber-Magazin für .223Rem./ .300BLK

Das neue OA Active MAG liefert exzellente Performance und überzeugt mit genialem Design, perfekter Funktion und sicherem Handling.

Das EU gesetzeskonforme 10-Schuss-Magazin angelehnt in Optik und Handling am 30-Schuss OA Duty MAG eignet sich optimal für dynamisches Schießen.

Jedem Active MAG liegt ein kurzer Standard-Magazinboden bei. Dadurch kann es auch als kurzes Magazin genutzt werden - praktisch für Jagd oder statische Disziplinen!

Der Magazinkörper besteht aus hochfestem glasfaserverstärktem Polymer, die Federn aus rostfreiem Federstahl. Der signalrote Anti-Tilt-Follower sorgt für verbesserte Gleiteigenschaften. Die stylische Golfballoberfläche bewirkt eine hervorragende Griffigkeit. Zu Reinigungszwecken kann das Active MAG bequem zerlegt werden.

OA Active MAG, wie man Long in Short und wieder zurück in Long umwandelt!

Safety Instruction Guide for OA Active Mag 5.56x45mm/.300BLK, 10Round

Introduction

Thank you for choosing the OA Active Mag 5.56x45mm/.300BLK, 10Round. This guide provides essential safety instructions to ensure safe use and handling of your magazine. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearms and ammunition in your jurisdiction.
- Always handle the magazine with care and respect, treating it as if it were loaded.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage. Do not use a damaged magazine.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only compatible ammunition (.223Rem./.300BLK) in this magazine.
- Do not exceed the magazine's capacity of 10 rounds.
- Avoid exposing the magazine to extreme temperatures, moisture, or chemicals.
- Always ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- Use appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

1. Loading the Magazine

- Ensure the firearm is pointed in a safe direction.
- Hold the magazine firmly in one hand.
- Insert the rounds into the magazine, ensuring they are seated correctly and the follower is not tilted.
- Do not exceed the maximum capacity of 10 rounds.

2. Inserting the Magazine

- With the firearm in a safe position, insert the magazine into the magazine well until it clicks into place.
- Ensure the magazine is securely locked in the firearm.

3. Removing the Magazine

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to remove the magazine from the firearm.
- Store the magazine in a secure location.

4. Cleaning and Maintenance

- To clean the magazine, disassemble it according to the manufacturer's instructions.
- Use a soft cloth to clean the magazine body and components.
- Do not use harsh chemicals or abrasive materials.
- Reassemble the magazine after cleaning and ensure it functions correctly before use.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste.
- If the magazine is damaged or no longer functional, consider returning it to the manufacturer for proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the OA Active Mag, please refer to the manufacturer's contact details provided with your product.

Please ensure that you follow these safety guidelines to promote safe handling and use of your OA Active Mag. Your safety is our priority.
