Introduction

Thank you for choosing the Magazinbegrenzer HK G36 MCL 10/30. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this guide carefully to understand the safety instructions and proper usage of this product.

General Safety Guidelines

- Ensure that the Magazinbegrenzer is installed correctly before use.
- Always handle firearms and magazines with care and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the Magazinbegrenzer for any signs of wear or damage.
- If you encounter any issues or concerns with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- The Magazinbegrenzer MCL 10/30 is compatible only with Magpul G36 Pmag 30. Do not attempt to use it with older Pmags or other magazines.
- Ensure that the product does not interfere with the magazine's reliability or function.
- The product should not affect the spring tension of the magazine.
- Always use the dust cover of the Pmag when the magazine is not in use to prevent debris accumulation.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before proceeding.
- Remove the magazine from the firearm.
- Attach the Magazinbegrenzer to the magazine according to the manufacturer's instructions.
- Ensure a secure fit and that the product does not obstruct any magazine functions.

2. Usage:

- Load the magazine as per standard instructions, ensuring the Magazinbegrenzer is properly in place.
- Test the magazine in the firearm to confirm it functions correctly with the Magazinbegrenzer installed.
- Avoid using the magazine in extreme conditions that may affect performance.

Disposal Instructions

- Dispose of the Magazinbegrenzer in accordance with local regulations for plastic and metal waste.
- Do not dispose of the product in regular household waste if it contains hazardous materials. Follow specific disposal guidelines for such materials.
