# VORN LT12 Rucksack Safety Instructions

## Introduction

Thank you for choosing the VORN LT12 Rucksack. This guide provides essential safety instructions to ensure the safe use of your backpack while complying with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Always inspect the rucksack for any damage before use. Do not use if damaged.
- Ensure that all straps and closures are secure before carrying the backpack.
- Avoid overloading the rucksack beyond its capacity of 12 liters.
- Keep the rucksack away from sharp objects to prevent tears or punctures.
- Store the rucksack in a dry place to avoid mold and degradation of materials.
- Regularly check for wear and tear and replace any damaged components.
- Be cautious when using the quick release system to avoid accidental discharge of the weapon.
- Ensure that the rucksack is used only for its intended purpose as a hunting backpack.

## Specific Safety Precautions for Use

- **Weapon Safety:**
  - Always ensure that your weapon is unloaded when placing it in the rucksack.
  - Use the weapon cover provided for additional protection during transport.
- **Hydration System:**
  - Ensure that the hydration system is securely attached and does not leak.
  - Use only compatible hydration systems (up to three liters).
- **Carrying the Rucksack:**
  - Adjust the shoulder straps and hip belt for a comfortable fit.
  - Use the chest strap to stabilize the rucksack while moving.
- **Children and Vulnerable Groups:**
  - This product is not intended for use by children. Keep out of reach of children.
  - Ensure that all users are familiar with the safety features of the rucksack before use.

## Instructions for Installation and Usage

- **Adjusting the Rucksack:**
  1. Place the rucksack on a flat surface.
  2. Loosen all straps before putting the rucksack on.
  3. Slip your arms through the shoulder straps and pull the rucksack onto your back.
  4. Adjust the shoulder straps to ensure a snug fit.
  5. Fasten the chest strap for added stability.
  6. If using the hip belt, adjust it to fit comfortably around your waist.
- **Loading the Rucksack:**
  1. Open the main compartment and place your items inside, ensuring weight is evenly distributed.
  2. Use the weapon compartment for your firearm, ensuring it is properly secured.
  3. Close all zippers and fasten any compression straps to secure the load.
- **Using the Quick Release System:**
  1. Familiarize yourself with the QRR system before use.

2. Practice using the quick release in a safe environment to ensure you can access your weapon quickly and safely.

## **Disposal Instructions**

- Dispose of the rucksack in accordance with local regulations.
- Do not incinerate the rucksack as it may release harmful substances.
- If the rucksack is damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the EUbased contact point listed on the product packaging or visit the manufacturer's website for further assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your VORN LT12 Rucksack. Always prioritize safety and be aware of your surroundings while using this product. Enjoy your hunting experience!
