DAA Magnetic Magazine Pouch - EVEN BETTER Now!

The DAA Magnetic Magazine Pouch has been further enhanced! Effective immediately, all DAA Magnetic Pouches now come with the "Clip On" base pad, ensuring an even more efficient shooting experience. This innovative base pad significantly reduces belt bulk, takes up less space, and minimizes the separation between your inner and outer belt.

Key Features:

1. **Efficient Design:** The "Clip On" base pad optimizes belt space usage, minimizing the gap between your inner and outer belts for an improved carry.
2. **Quick Magazine Pickup:** A must-have accessory for stages that require swift magazine pickups. Attach your extra magazine to your belt as rapidly as you can grab it from the table!
3. **Powerful Magnet:** The magnet used boasts a diameter of almost 50 mm and a thickness of over 10 mm, providing a pulling power of over 100 kg. Even during running and jumping movements, your loaded magazine stays securely in place.
4. **Easy Retrieval:** The smooth surface allows for easy gripping and sliding off the magazine when needed for reloading. The strong magnetic force requires upward sliding, perfect for fast reloads.

Warning: Keep the magnet away from credit cards and electronic devices!

The DAA Magnetic Magazine Pouch with the "Clip On" base pad is the ideal choice for shooters seeking efficiency and speed in magazine management. Enhance your shooting performance with this high-quality accessory from DAA!

DAA Magnetic Magazine Pouch Safety Instruction Guide

Introduction

Thank you for choosing the DAA Magnetic Magazine Pouch with the "Clip On" base pad. This product is designed to enhance your shooting experience by providing an efficient and secure method for magazine management. To ensure your safety and the optimal use of the product, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** The DAA Magnetic Magazine Pouch is designed to be safe for use. Always ensure you understand how to use the product to avoid any accidents.
- **Enhanced Recalls:** In the unlikely event that a safety issue arises, we will provide standardized recall notices and remedies for any dangerous products.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements to protect your rights as a consumer.
- **Special Consumer Focus:** Extra care should be taken when using this product around children or vulnerable individuals. Ensure they are supervised and understand the risks involved.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided on the packaging or product documentation.
- **Rapid Alerts:** Stay informed about any updates regarding the safety of this product through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Keep Away from Electronics:** The powerful magnet can interfere with electronic devices and credit cards. Always keep the pouch away from these items to avoid damage.
- **Secure Attachment:** Ensure that the magazine pouch is securely attached to your belt before use to prevent accidental detachment during movement.
- **Check for Damage:** Regularly inspect the pouch and magnet for any signs of wear or damage. If any issues are found, discontinue use immediately.
- **Avoid Overloading:** Do not exceed the recommended load for the magnetic pouch. The magnet is designed to hold magazines securely, but excessive weight may lead to failure.
- **Safe Handling:** Always handle the pouch and magazines with care. Avoid dropping them or exposing them to extreme conditions that may affect their performance.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location on your belt where you would like to attach the magazine pouch.
- Slide the "Clip On" base pad of the pouch onto your belt until it is securely in place.
- Ensure that the pouch is positioned in a way that allows for easy access to the magazine.

2. Usage:

- To attach a magazine, align it with the magnet and press it against the pouch until it is securely held in place.
- When retrieving the magazine, grip it firmly and slide it upward to disengage it from the magnet.
- Practice retrieving the magazine to become familiar with the motion and to ensure quick access during use.

Disposal Instructions

- **Environmental Considerations:** Dispose of the DAA Magnetic Magazine Pouch responsibly. Do not throw it in regular household waste.
- **Recycling:** If possible, recycle the pouch and its components according to local regulations. Check with your local waste management authority for proper disposal methods.
- **Electronics Disposal:** If the pouch is damaged and contains any electronic components, please follow local guidelines for the disposal of electronic waste.

Contact Information for Further Support

For any questions or concerns regarding the DAA Magnetic Magazine Pouch, please refer to the contact information provided on the packaging or product documentation. Ensure that you have the product details ready for a more efficient response.

By following these safety instructions, you can enjoy your DAA Magnetic Magazine Pouch while ensuring your safety and the safety of those around you. Thank you for prioritizing safety in your shooting activities.
