

DAA Lynx Belt Ratchet Buckle

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Belts](#)

Product: DAA Lynx Belt Ratchet Buckle System

Brief Description: Enhance your shooting experience with the optional DAA Lynx Belt Ratchet Buckle System – an upgrade that brings clear advantages over the standard compact Lynx buckle. The innovative ratchet mechanism provides extended length adjustability, making it easy to adapt to clothing changes under the belt.

Key Feature/Application: The ratchet mechanism of the DAA Lynx Belt Ratchet Buckle offers a wider range of length adjustability, ensuring a comfortable fit even with varying layers of clothing. This feature is particularly valuable in dynamic shooting scenarios, allowing for quick loosening and tightening between stages.

Construction and Material: Crafted for durability, the DAA Lynx Belt Ratchet Buckle boasts a sturdy construction with a combination of steel and aluminum components, ensuring unmatched strength. The 23mm wide rubber strap, equipped with steel threaded inserts, provides an impressive 16cm range of length adjustability, catering to individual preferences.

Usage Tips: For optimal performance, wear the buckle at the front, positioned between the holster and the first pouch, with the rubber strap's tail extending towards the pouches. The strap can be shortened as needed. If you wish to reverse the buckle's direction, the process is simple – loosen the screws and reassemble them in the desired orientation.

Elevate your shooting gear with the DAA Lynx Belt Ratchet Buckle System – more than just functionality, it offers the convenience needed for precision and speed in competitive shooting scenarios.

DAA Lynx Belt Ratchet Buckle Safety Instructions

Introduction

Thank you for choosing the DAA Lynx Belt Ratchet Buckle System. This guide provides essential safety information to ensure the safe use of this product. It is important to read and understand these instructions to maximize your safety and the performance of the buckle system.

General Safety Guidelines

- **Product Safety:** The DAA Lynx Belt Ratchet Buckle System is designed to be safe for use. Always follow the instructions provided to avoid any risks.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized notices. Ensure you stay informed about any updates.
- **Online Shopping:** If you purchased this product online, you are entitled to the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, you can reach out to the designated EU contact point for this product.
- **Rapid Alerts:** Stay updated on safety alerts regarding this product through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the buckle before each use to ensure it is in good condition.
- Ensure the buckle is securely fastened before engaging in any activity.
- Do not overload the belt with excessive weight beyond its intended capacity.
- Avoid exposing the buckle to extreme temperatures or corrosive substances.
- If you experience any discomfort while wearing the buckle, adjust it immediately or discontinue use.
- If the buckle becomes damaged or shows signs of wear, stop using it and replace it.

Instructions for Installation and Usage

1. Installation:

- Position the buckle at the front of your body, between the holster and the first pouch.
- Ensure the rubber strap's tail extends towards the pouches for optimal performance.
- To reverse the buckle's direction, loosen the screws and reassemble them in the desired orientation.

2. Usage:

- Adjust the rubber strap to achieve a comfortable fit. The strap can be shortened as needed.
- The ratchet mechanism allows for quick adjustments; loosen or tighten the strap as required, especially between shooting stages.
- Ensure that the buckle is not obstructed by clothing or equipment that may interfere with its function.

Disposal Instructions

- Dispose of the DAA Lynx Belt Ratchet Buckle System in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, follow guidelines for recycling or hazardous waste disposal if applicable.
- Ensure that any components that could pose a safety risk, such as sharp edges or small parts, are

disposed of safely.

Contact Information for Further Support

For any questions or concerns regarding the DAA Lynx Belt Ratchet Buckle System, please refer to the manufacturer's contact details provided in the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your DAA Lynx Belt Ratchet Buckle System. Thank you for your attention to safety.
