Product Update: DAA Magnetic Magazine Pouch with "Clip On" Base Pad

Brief Description: The DAA Magnetic Magazine Pouch just got even better! We're thrilled to announce that all DAA Magnetic pouches now come equipped with the innovative "Clip On" base pad. This revolutionary addition significantly reduces belt bulk, occupying less space and minimizing the gap between your inner and outer belts.

Key Features: With this base pad, you can securely mount your magnetic pouch close to other pouches without concern about the outer belt losing grip on the inner—a must-have for stages requiring quick magazine pickups. The custom-made magnetic mag holder allows you to slap your extra magazine onto your belt as fast as picking it up from the table, eliminating fumbling and saving precious time during reloads!

The magnet boasts a diameter of almost 50mm and a thickness of over 10mm, providing a pulling power exceeding 100kg! This ensures a secure hold on your loaded magazine even during dynamic movements. Its smooth surface enables a rapid upward slide for a fast reload, making it ideal for efficient reloading.

Warning: Keep the magnet away from credit cards and electronic equipment due to its powerful magnetic field.

Upgrade your gear with the DAA Magnetic Magazine Pouch featuring the "Clip On" base pad—efficiency and speed redefined for your shooting experience.

# DAA Magnetic Magazine Pouch Safety Instruction Guide

## Introduction

Thank you for choosing the DAA Magnetic Magazine Pouch with "Clip On" Base Pad. This guide provides essential safety instructions to ensure safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the pouch is only used for its intended purpose of holding and securing magazines.
- Keep the pouch away from children and vulnerable individuals to prevent accidental injuries.
- Regularly inspect the pouch for any signs of wear or damage. Do not use if damaged.
- Always follow the installation and usage instructions provided in this guide.
- Be aware of your surroundings when using the pouch, especially in dynamic environments.

## Specific Safety Precautions for Use

- **Magnet Safety:**
  - Keep the magnetic pouch away from credit cards, electronic devices, and sensitive equipment due to its powerful magnetic field.
  - Avoid placing the pouch near metallic objects that could interfere with its magnetic function.
- **Belt Compatibility:**
  - Ensure that your belt is compatible with the "Clip On" base pad to avoid detachment during use.
  - Do not overload the pouch beyond its intended capacity to maintain secure attachment and functionality.
- **Dynamic Movements:**
  - Use caution during dynamic movements to ensure the pouch remains secure and does not pose a risk of dropping the magazine.
- **Environment:**
  - Avoid using the pouch in extreme weather conditions that may affect its performance or safety.

## Instructions for Installation and Usage

- **Installation:**
  1. Attach the "Clip On" base pad securely to your belt, ensuring it is firmly in place.
  2. Align the magnetic magazine pouch with the base pad and press down until you hear a click, indicating it is securely attached.
  3. Ensure that the pouch is positioned for easy access to magazines without obstruction.
- **Usage:**
  1. To insert a magazine, simply align it with the magnetic holder and allow it to snap into place.
  2. For removal, grasp the magazine and pull it away from the pouch with a smooth motion.
  3. Practice reloading with the pouch in a safe environment to become familiar with its operation.

## Disposal Instructions

- Dispose of the DAA Magnetic Magazine Pouch in accordance with local regulations for electronic and magnetic waste.
- Do not dispose of the pouch in regular household waste.

- If the pouch is no longer functional or safe to use, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

- For any safety inquiries or additional support regarding the DAA Magnetic Magazine Pouch, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the DAA Magnetic Magazine Pouch!
