

DAA Alpha-XiP Polymer Pouch - DAA Alpha-XiP Pouch Polymer - Black

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

Product: DAA Alpha-XiP Magazine Pouch

Brief Description: The DAA Alpha-XiP is a cost-effective alternative to the Alpha-Xi pouch, maintaining all its exceptional features with a polymer body made of glass-fiber reinforced PA66. This material offers durability and hardness, using the same mounting system as the aluminum version but at a substantially lower cost.

Key Features:

- Polymer body with a glass-fiber reinforced PA66 material, providing the same mounting system as the Alpha-Xi.
- Aluminum ball-joint hanger and full set of spacers for various magazine sizes, identical to the Alpha-Xi.
- Scratch-resistant polymer body available in 7 colors: Black, Blue, Red, Grey, White, Purple, and Orange.
- 8 connection points, three height positions for both Right-hand and Left-hand shooters, and two height options for bullets-out mounting.
- Key-seat engagement and a custom wide-head screw for a secure fit.
- Ball joint securely held in the aluminum belt hanger, allowing precise adjustments to the pouch's angle and tilt with a large T25 Torx M6 Screw.

Enhancements for Quality and Durability:

- T20 and T25 Torx-head screws replace Allen screws for improved durability.
- Custom-made key with both T20 and T25 Torx sizes included.

Spacer System:

- Wrap-around spacers ensure all magazine sizes align in the center of the pouch for a smooth draw.
- Height-adjustable bridge support under the magazine allows users to customize the depth of magazine seating.
- Three sets of spacers included for double-stack magazines (excluding large Glock/HK .45 mags), with a single-stack spacer adaptor available as an accessory.

Elevate your shooting experience affordably with the DAA Alpha-XiP Magazine Pouch.

DAA AlphaXiP Polymer Pouch Safety Instruction Guide

Introduction

Thank you for choosing the DAA AlphaXiP Magazine Pouch. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and usage to maximize your safety and enjoyment.

General Safety Guidelines

- Ensure that the DAA AlphaXiP Pouch is used only for its intended purpose.
- Regularly inspect the pouch for any signs of wear or damage.
- Do not modify the pouch in any way that could compromise its safety.
- Keep the pouch out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding the use of magazine pouches and firearms.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before inserting or removing magazines from the pouch.
- When drawing a magazine from the pouch, maintain a firm grip to avoid accidents.
- Be aware of your surroundings and ensure that you are in a safe environment when using the pouch.
- Use the pouch only with compatible magazine sizes as specified in the product description.
- If you experience any difficulty with the pouch, cease use immediately and consult the installation instructions or contact support.

Instructions for Installation and Usage

Installation

1. **Select the Right Position:** Determine the ideal position on your belt for the pouch, considering your shooting hand preference.
2. **Attach the Pouch:**
 - Use the aluminum balljoint hanger to attach the pouch securely to your belt.
 - Ensure that the pouch is at a comfortable height for easy access.
3. **Adjust the Angle:**
 - Use the large T25 Torx M6 screw to adjust the angle and tilt of the pouch to suit your preference.
 - Tighten the screw securely to prevent any movement during use.
4. **Install Spacers:**
 - Use the provided spacers to align the magazine size in the center of the pouch.
 - Adjust the height of the magazine seating using the heightadjustable bridge support.

Usage

- To remove a magazine, grip it firmly and pull it straight out of the pouch.
- To insert a magazine, align it with the pouch and push it in until it is securely seated.
- Adjust the pouch as necessary for comfort and accessibility.

Disposal Instructions

- Dispose of the pouch in accordance with local regulations regarding plastic materials.
- Do not dispose of the pouch in regular household waste if it is damaged or broken.
- Consider recycling options available in your area for plastic products.

Contact Information for Further Support

For any inquiries or concerns regarding the DAA AlphaXiP Magazine Pouch, please reach out to the appropriate support channels as indicated on the packaging or product documentation.

Thank you for prioritizing safety in your use of the DAA AlphaXiP Magazine Pouch. Enjoy your shooting experience!
