

DAA Racer Magazine Pouch - Black

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

Product: DAA Racer Magazine Pouch

Brief Description: In 2011, we revolutionized magazine pouches with the all-aluminum Race Master Magazine Pouches. Despite their innovative design and popularity, the high price tag led us to develop an affordable alternative. Introducing the DAA Racer Magazine Pouch, a plastic molded version of the Race Master design, the perfect companion for the DAA Racer Holster!

Key Features:

- Borrowing heavily from the Race Master Pouch, the Racer maintains the unique "pressure from the back" adjustable holding system.
- Interchangeable inserts accommodate various magazine sizes, including larger 2011 mags, smaller CZ/Tan mags, Glock, and M&P mags.
- Ambidextrous design for easy mounting for both left and right-handed users.
- Adjustable for tilt with small steps, allowing shooters to find the preferred angle.
- Simplified belt hanger design with a minimalist steel plate, eliminating separation between inner and outer belts.
- Robust and durable, delivering performance comparable to its all-aluminum counterpart.
- Affordable alternative, priced at a little over half the cost of the Race Master pouches.

Note:

- Not compatible with Large Frame Glock (e.g., G20/21) or .45 HK magazines.
- Fits only 1.5" belt systems (not suitable for Safariland 1.75" belts).

DAA Racer Magazine Pouch Safety Instructions

Introduction

Thank you for choosing the DAA Racer Magazine Pouch. This product is designed to provide a safe and efficient way to carry your magazines. To ensure your safety and the safety of others, please read and follow these instructions carefully.

General Safety Guidelines

- Always inspect the magazine pouch before each use to ensure it is in good condition.
- Do not use the magazine pouch if it shows signs of wear, damage, or malfunction.
- Keep the pouch away from children and unauthorized users.
- Use the pouch only for its intended purpose: to hold magazines securely during shooting sports.
- Be aware of your surroundings and ensure that you are in a safe environment when using the pouch.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

Specific Safety Precautions for Use

- Ensure that the magazine is properly seated in the pouch before use.
- Avoid overloading the magazine pouch beyond its intended capacity.
- Do not attempt to modify the pouch in any way, as this may compromise its safety features.
- When using the pouch, ensure that it is securely attached to your belt system.
- Always keep the magazine pouch in a clean and dry environment to prevent deterioration.

Instructions for Installation and Usage

1. Installation

- Select a suitable belt system (1.5" belt systems only).
- Slide the pouch onto the belt, ensuring it is positioned at a comfortable height for access.
- Adjust the tilt angle using the adjustable feature to find your preferred angle.
- Ensure that the pouch is securely fastened to prevent it from slipping during use.

2. Usage

- To insert a magazine, open the pouch and place the magazine inside, ensuring it is seated properly.
- To remove a magazine, grasp the magazine firmly and pull it straight out of the pouch.
- After use, clean the pouch with a damp cloth to remove any dirt or debris.

Disposal Instructions

- Dispose of the DAA Racer Magazine Pouch responsibly at the end of its life cycle.
- Do not throw the pouch in regular household waste. Instead, follow local regulations for plastic recycling or disposal.
- If the pouch is damaged, ensure it is disposed of in a manner that prevents accidental use.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of your DAA Racer Magazine Pouch, please contact the manufacturer or your point of purchase. Ensure you have your product details available for quicker assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your DAA Racer Magazine Pouch. Thank you for your attention to these important safety guidelines.
