

# DAA Racer Pouch / Alpha XiP Magnet Kit - 1

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Magazine Belt Pouches](#)

## Product: DAA Racer Pouch / Alpha XiP Magnet Kit

**Short Description:** The DAA Racer Pouch / Alpha XiP Magnet Kit provides the necessary components to attach the DAA magnet to your DAA Racer pouch or Alpha XiP.

### Kit Includes:

1. DAA large magnet
2. Stainless steel M5 10mm screw
3. Brass thermal insert M5 nut, 6mm long

### Additional Requirements:

1. Drill and a 6.3-6.5mm bit
2. Soldering iron for heating the nut and pushing it through
3. File and sandpaper to clean the plastic inside the pouch

### Assembly Steps:

1. Disassemble your pouch body and remove the side insert for easier access.
2. Drill a 6.3-6.5mm hole through the pouch wall at your chosen magnet position.
3. Push the insert into the hole from the inside, ensuring only the tip is inside the hole.
4. Use a hot soldering iron to gently push the insert until it sinks into the plastic. Be patient and avoid pushing it through too quickly. The nut should protrude about 3mm on the outside.
5. Clean any plastic residue around the insert on the inside to prevent interference with the magazine.
6. Attach the magnet to the pouch using the provided screw. Consider using a drop of loctite to secure the screw in place.

### Attributes

- Name: [DAA Racer Pouch / Alpha XiP Magnet Kit - 1](#)
- Manufacturer: [DAA Double Alpha Academy](#)

# DAA Racer Pouch / Alpha XiP Magnet Kit Safety Instructions

## Introduction

Thank you for choosing the DAA Racer Pouch / Alpha XiP Magnet Kit. This guide provides important safety instructions to ensure safe use and installation of the product. Please read and follow these instructions carefully to avoid potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If any part of the product is damaged, discontinue use immediately.
- Report any unsafe product experiences to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the DAA Racer Pouch / Alpha XiP Magnet Kit only with compatible pouches.
- Be cautious when using tools such as drills and soldering irons; follow the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection and gloves, when performing installation.
- Avoid inhaling fumes produced during soldering; work in a wellventilated area.
- Ensure that the workspace is clear of clutter to prevent accidents.

## Instructions for Installation and Usage

### 1. Disassemble the Pouch

- Carefully disassemble your pouch body.
- Remove the side insert for easier access.

### 2. Drill the Hole

- Select the position for the magnet on the pouch wall.
- Using a drill and a 6.36.5mm bit, drill a hole at the chosen position.

### 3. Insert the Thermal Insert

- Push the thermal insert into the hole from the inside, ensuring that only the tip is inside.
- Use a hot soldering iron to gently push the insert until it sinks into the plastic.
- Be patient and avoid pushing it through too quickly; the nut should protrude about 3mm on the outside.

### 4. Clean the Area

- Clean any plastic residue around the insert on the inside to prevent interference with the magazine.

### 5. Attach the Magnet

- Use the provided stainless steel M5 10mm screw to attach the magnet to the pouch.
- Consider using a drop of loctite to secure the screw in place.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of electrical components in regular household waste.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the DAA Racer Pouch / Alpha XiP Magnet Kit, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Enjoy using your DAA Racer Pouch / Alpha XiP Magnet Kit safely and effectively!
