# Lynx Belt: Bag of Roll Pins Safety Instruction Guide

## Introduction

Thank you for choosing the Lynx Belt: Bag of Roll Pins by Double Alpha Academy. This guide provides essential safety instructions to ensure the safe use and handling of the roll pins. Please read this document carefully before use to minimize risks and ensure a safe experience.

## General Safety Guidelines

- Ensure that all components are intact and free from damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the roll pins for wear and tear, replacing any damaged pins immediately.
- Follow all instructions carefully during installation and usage to avoid any accidents.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Sharp edges: Roll pins may have sharp edges that can cause injury.
- Small parts: The roll pins are small and can pose a choking hazard if swallowed.

### • Avoiding Hazards:

- Always handle the roll pins with care.
- Use appropriate tools when installing or removing roll pins to prevent injury.
- Ensure that the work area is clean and free of distractions while using the roll pins.

### • Age Specific Warnings:

- This product is not suitable for children under 14 years of age without adult supervision.
- Ensure that only individuals who understand the proper handling and usage of roll pins are allowed to use this product.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a hammer and a punch tool.
- Ensure that your work area is clean and welllit.

### 2. Installation:

- Identify the location where the roll pin will be installed.
- Align the roll pin with the hole in the components.
- Use the punch tool to gently tap the roll pin into place. Ensure it is seated properly.
- Avoid excessive force to prevent damage to the pin or surrounding components.

### 3. Removal:

- To remove a roll pin, use the punch tool to gently tap it out from the opposite side.
- Ensure that you are wearing safety goggles to protect your eyes from any debris.

#### 4. Usage:

- Always use the roll pins as intended and do not modify them in any way.
- Regularly check for signs of wear and replace as necessary.

## Disposal Instructions

- Dispose of any damaged or unused roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste. Instead, check for recycling options in your area.

## Contact Information for Further Support

For further support or inquiries regarding safety, please refer to the appropriate contact resources available in your region. Always ensure that you have access to the latest information regarding recalls or safety updates related to this product.

By following these guidelines, you can ensure a safe and effective experience with your Lynx Belt: Bag of Roll Pins. Thank you for your attention to safety.
