- **Special Consumer Focus:** Extra care should be taken when children are present. Ensure that this product is stored out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Always ensure the firearm is unloaded before using the cleaning cord.**
- **Do not use the cleaning cord on a firearm that is loaded or has ammunition present.**
- **Inspect the cleaning cord for any damage before use. Do not use if damaged.**
- **Keep the cleaning cord and its components out of reach of children.**
- **Use the cleaning cord only for its intended purpose, which is cleaning firearms.**
- **Follow the manufacturer's instructions for cleaning and maintenance of the cleaning cord.**
- **Avoid using excessive force while cleaning to prevent damage to the firearm or the cleaning cord.**

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools and materials for cleaning.

2. Using the Cleaning Cord:

- Attach the cleaning cord to the bore of the firearm.
- Gently pull the cleaning cord through the barrel, allowing the brushes and fabric to clean the interior.
- Repeat this process as necessary, but typically one pass is sufficient due to the design of the cleaning cord.
- After use, remove the cleaning cord and inspect for any debris or damage.

3. Storage:

- Store the cleaning cord in the provided pouch to protect it from damage.

- Keep the pouch with the cleaning cord in a safe location, away from children and pets.

Disposal Instructions

- Dispose of the cleaning cord in accordance with local waste management regulations.
- Do not dispose of the cleaning cord in fire, as it may cause hazardous fumes.
- If the cleaning cord is damaged or no longer usable, consider recycling the materials if possible.
