## **ZC840**

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

## **Attributes**

- Name: [ZCO OPTIC ZF 8-40X56 - 36mm - MPCT2](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730003
- Mfr. No.: ZCO4000220
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT2
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

# ZC OPTIC ZF 840X56 Safety Instruction Guide

## Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions to ensure the safe and effective use of your optical device. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with all safety guidelines outlined in this manual.
- Always inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings when using the product to avoid accidents or injuries.
- Follow all local laws and regulations regarding the use of optical devices.

## Specific Safety Precautions for Use

- **Magnification Caution:** The ZC840 offers magnification over 30x. Use caution when viewing distant objects to avoid eye strain or discomfort.
- **Optical Performance:** The optical system provides high contrast and resolution. Avoid pointing the scope directly at bright light sources to prevent damage to your eyesight.
- **Field of View Awareness:** The field of view ranges from 4.6m/100m to 1.0m/100m at 40x magnification. Be aware of your target area to ensure safe operation.
- **Elevation Adjustment:** The elevation adjustment range is 28 mils. Make precise adjustments slowly to avoid sudden changes in view.

## Instructions for Installation and Usage

### 1. Installation:

- Mount the ZC840 on a stable platform or firearm following the manufacturer's instructions.
- Ensure that the scope is securely attached and that all screws are tightened properly.
- Adjust the scope position for optimal eye relief and comfort.

### 2. Usage:

- Before using the scope, adjust the magnification as needed. The minimum magnification is 8x, and the maximum is 40x.
- Use the elevation adjustment to set the desired height for your target range.
- When aiming, maintain a stable position to enhance accuracy and safety.
- After use, cover the lens with the provided lens caps to protect against dust and scratches.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the product if possible.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the ZC OPTIC ZF 840X56, please refer to the manufacturer's contact details available on their official website or product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF

840X56. Thank you for your attention to these important guidelines.
