## **ZC840**

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

## **Attributes**

- Name: [ZCO OPTIC ZF 8-40X56 - 36mm - TREMOR 5](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730004
- Mfr. No.: ZCO4000455
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: TREMOR 5
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

# ZC OPTIC ZF 840X56 Safety Instruction Guide

## Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions to ensure the safe and effective use of your optic. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the optic for any damage before use. Do not use if damaged.
- Keep the optic out of reach of children to prevent accidents.
- Use the product only for its intended purpose as outlined in this guide.
- Report any unsafe conditions or accidents to the relevant authorities.
- Regularly check for product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Magnification Precautions:** Avoid looking directly at the sun through the optic, as this can cause severe eye damage.
- **Stability:** Ensure the optic is securely mounted to prevent it from falling or being dislodged during use.
- **Environmental Conditions:** Do not expose the optic to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- **Cleaning:** Use only recommended cleaning materials to avoid scratching the lens. Do not use abrasive substances.
- **Transport:** When transporting the optic, use a protective case to prevent damage.

## Instructions for Installation and Usage

### 1. Installation:

- Select a stable and secure mounting platform for the optic.
- Align the scope tube with the mounting rings and tighten securely.
- Ensure the optic is level and properly aligned with the firearm.

### 2. Usage:

- Adjust the magnification according to your shooting needs (8x to 40x).
- Use the elevation adjustment to zero in on your target. The adjustment range is 28 mils.
- Maintain a proper eye relief to ensure comfort and safety during use.
- Always ensure your target area is safe before using the optic.

## Disposal Instructions

- Dispose of the optic in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- Check for local recycling programs that accept optical equipment.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the ZC OPTIC ZF 840X56, please refer to the manufacturer's website or customer support channels.

By following these guidelines, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56.

Thank you for your attention to these important safety instructions.
