ZC840

Our engineers have set a new standard for magnification, imaging performance and mechanical precision with the ZC840.

This optical system offers outstanding performance and enables a perfect image even in the higher magnification range.

- Magnification: Over 30x for exceptional detail accuracy
- Top optical values: Outstanding contrast and resolution for a brilliant image
- Elevation adjustment range: 28 mils for precise settings over long distances
- Field of view: From 4.6m/100m to 1.0m/100m at 40x magnification for optimum target acquisition and tracking

With its impressive performance range, the ZC840 is the ideal choice for shooters who demand the best from their optics and are looking for an unrivalled shooting experience.

Attributes

- Name: [ZC OPTIC ZF 8-40X56 - 40x - 56mm - 8x - 40x - 0.1 MIL - 36mm - MPCT 3X](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730006
- Mfr. No.: ZCO4000219
- Click Value: 0.1 MIL
- Color: Black
- Magnification: 40x
- Max Magnification: 40x
- Min. Magnification: 8x
- Objective Size: 56mm
- Reticle: MPCT 3X
- Scope Tube Diameter: 36mm
- Delivery weight: 5kg

ZC OPTIC ZF 840X56 Safety Instruction Guide

Introduction

Thank you for choosing the ZC OPTIC ZF 840X56. This guide provides essential safety instructions to ensure the safe use and maintenance of your optical device. It is important to follow these guidelines to maximize performance and minimize risks.

General Safety Guidelines

- Ensure safe use of the ZC OPTIC ZF 840X56 by following all instructions carefully.
- Be aware of potential hazards associated with optical devices, including eye strain and improper handling.
- Always handle the device with care to avoid damage or injury.
- Use the optical device only for its intended purpose as described in this manual.
- Keep the device out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Do not look directly at the sun through the optical device. This can cause severe eye damage.
- Avoid using the device in extreme weather conditions, such as heavy rain or high humidity, which can damage the internal components.
- Ensure the device is securely mounted before use to prevent accidents.
- Regularly check for any signs of damage or wear, and discontinue use if any issues are found.
- Use lens covers when the device is not in use to protect the lenses from scratches and dust.

Instructions for Installation and Usage

1. Installation:

- Ensure that the mounting surface is stable and secure.
- Mount the ZC OPTIC ZF 840X56 on a compatible rifle or tripod using the provided mounting hardware.
- Tighten all screws and mounts securely to prevent movement during use.

2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired level between 8x and 40x.
- Focus the device by adjusting the eyepiece until the reticle and target are clear.
- Use the elevation and windage turrets to make precise adjustments for accurate targeting.
- Always ensure that your target is safe and within a clear line of sight before taking any shots.

Disposal Instructions

- Dispose of the ZC OPTIC ZF 840X56 in accordance with local regulations for electronic waste.
- Do not dispose of the device in regular household waste.
- Check for any specific disposal guidelines provided by local authorities or recycling centers.

Contact Information for Further Support

For questions or concerns about the ZC OPTIC ZF 840X56, please contact the manufacturer or your local retailer. Ensure that you have the product information ready for reference.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ZC OPTIC ZF 840X56 optical device. Thank you for your attention to safety!
