ZC527

The ZC527 from Zero Compromise Optic sets a new standard for precision binoculars and is considered the benchmark in its class.

Technical data:

- Length of 387mm (15.24 inches) and a weight of only 1075g (37.9 ounces) for a compact and lightweight design
- 35 mil elevation adjustment and 21 mil windage adjustment for precise and reliable adjustments
- Generous field of view of 7m / 100 metres (21ft/100yds) for a first-class view and target tracking
- Excellent light transmission and exceptional resolution for best optical performance
- Also available in FDE (flat dark earth finish) for added versatility and style options

Conclusion: The ZC527 from Zero Compromise Optic redefines the boundaries of precision long-range optics, offering an unrivalled combination of performance, quality and design. With its compact design, precise adjustments and outstanding optical properties, it is the ideal choice for discerning shooters who demand only the best.

Attributes

- Name: [ZC Optics ZF 5-27X56 - Black - MPCT 2X - ccw](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730007
- Mfr. No.: ZCO4000488
- Click Value: 0.1 Mil
- Color: Black
- Max Magnification: 27x
- Min. Magnification: 5x
- Objective Size: 56mm
- Reticle: MPCT 2X
- Scope Tube Diameter: 36 mm
- Delivery weight: 3kg

Safety Instruction Guide for ZCO Zero Compromise Optics ZF 527X56

Introduction

Thank you for choosing the ZCO Zero Compromise Optics ZF 527X56. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to maximize your experience and ensure your safety.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a precision optical scope.
- Always inspect the product for any damage or defects before use. Do not use the product if it is damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse or accidents.
- Be aware of your surroundings while using the product, especially in outdoor environments.
- Avoid exposing the product to extreme temperatures, moisture, or direct sunlight for extended periods.
- Regularly check for any updates or recalls related to the product via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always use the product in accordance with the manufacturer's instructions.
- Do not attempt to disassemble or modify the product, as this may cause malfunction or injury.
- Use protective eyewear when adjusting or using the product to prevent eye strain or injury.
- Ensure that the mounting of the scope is secure and stable before use to avoid accidents during operation.
- Be cautious when adjusting the elevation and windage settings to ensure precise targeting without sudden movements.

Instructions for Installation and Usage

Installation

1. Mounting the Scope:

- Choose a suitable rifle that is compatible with the ZCO ZF 527X56.
- Securely attach the scope to the rifle using the appropriate mounting rings.
- Ensure that the scope is level and properly aligned with the rifle barrel.

2. Adjusting the Settings:

- Set the magnification to your desired level by rotating the magnification ring.
- Adjust the elevation and windage settings using the corresponding turrets. Each click represents 0.1 Mil adjustments.
- Confirm that the reticle is centered before taking your first shot.

3. Checking the Focus:

- Adjust the ocular lens to focus the reticle clearly. Look through the scope and turn the eyepiece until the reticle is sharp.

Usage

- **Field Use:**

- Always ensure that the rifle is pointed in a safe direction when using the scope.
- Use the generous field of view to track moving targets effectively.
- Monitor light conditions and adjust the scope as necessary to maintain optimal visibility.

- **Maintenance:**

- Clean the lenses with a soft, dry cloth to avoid scratches.
- Store the product in a dry, cool place when not in use, preferably in a protective case.

Disposal Instructions

- Dispose of the product in accordance with local regulations and environmental standards.
- Do not throw the product in regular household waste. Check for local electronic waste disposal programs.

Contact Information for Further Support

For any questions or concerns regarding the ZCO ZF 527X56, please refer to the manufacturer's website or contact the customer support team directly. Ensure that you have the model number and any relevant information ready for assistance.

Thank you for your attention to these safety guidelines. Enjoy your ZCO Zero Compromise Optics ZF 527X56 and use it responsibly!
