

# ZCO ZF 4-20X50 - Black - MOA - ccw

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50. This guide provides essential safety information to ensure the safe use and enjoyment of your product. Please read this manual carefully before using the ZCO ZF 420X50 and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage before use. Do not use if damaged.
- Store the product in a secure location, out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Be aware of your surroundings while using the product to avoid accidents.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Optical Safety:** Avoid looking directly at the sun through the scope, as this can cause serious eye damage.
- **Mechanical Safety:** Ensure that all adjustments are made carefully to avoid damage to the optical system.
- **Weight Consideration:** The ZCO ZF 420X50 weighs 986 g. Ensure that your mounting system can support this weight.
- **Environmental Conditions:** Do not expose the product to extreme temperatures or humidity, as this may affect its performance.
- **Vulnerable Groups:** Keep the product away from children and individuals who may not understand its use or risks.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable mounting location on your firearm.
- Ensure that the mounting surface is clean and free of debris.
- Securely attach the scope using the provided mounting rings and screws.
- Doublecheck that all screws are tightened properly to prevent movement during use.

### 2. Usage:

- Adjust the magnification from 4x to 20x as needed for your shooting conditions.
- Use the height adjustment feature to align the reticle with your target accurately.
- Always check the clarity of the view before taking a shot.
- After use, cover the scope with a protective cover to prevent dust and moisture from entering.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household trash.
- Consider recycling options to minimize environmental impact.

## **Contact Information for Further Support**

For safety inquiries or further support regarding the ZCO ZF 420X50, please refer to the manufacturer's website or contact the designated EUbased contact point.

Thank you for choosing ZCO. Your safety is our priority. Enjoy your product responsibly!
