

ZCO ZF 4-20X50 - Black - MPCT2 - ccw

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

ZCO ZF 420X50 Safety Instruction Guide

Introduction

Thank you for choosing the ZCO ZF 420X50. This guide provides essential safety instructions and usage information to ensure you enjoy the full benefits of your product while maintaining safety standards. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ZCO ZF 420X50 by following all instructions. This product meets the safety requirements outlined by the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized notices. Please follow the instructions provided for any necessary remedies.
- **Online Shopping Protections:** If purchased online, you have the same safety protections as if you had bought it in a physical store.
- **Special Consumer Focus:** Extra precautions are in place for vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For safety inquiries, an EU-based contact point is available to provide assistance.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling may cause damage to the product or injury to the user.
 - Ensure that the product is securely mounted before use to prevent accidents.
- **Avoiding Hazards:**
 - Always inspect the product for any damage before use.
 - Use the product only as intended and according to the manufacturer's instructions.
 - Ensure that the product is not exposed to extreme temperatures or moisture.
- **Audience-Specific Warnings:**
 - This product is not intended for use by children. It should be used only by individuals who are knowledgeable in its operation.

Instructions for Installation and Usage

- **Installation:**
 - Ensure you have the necessary tools for installation.
 - Mount the ZCO ZF 420X50 securely on your firearm, following the instructions provided in the firearm's manual.
 - Check that all mounts and screws are tightened properly before use.
- **Usage:**
 - Adjust the magnification by rotating the adjustment ring smoothly.
 - Use the height adjustment feature to set the reticle to your desired position.
 - Always check the sighting alignment before shooting.
 - Maintain a proper shooting stance to ensure stability and accuracy.

Disposal Instructions

- **Proper Disposal:**
 - Dispose of the product in accordance with local regulations regarding electronic waste.
 - Do not dispose of the product in regular household waste.
 - If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For further assistance, please refer to the product packaging or your retailer for relevant contact information. Your safety and satisfaction are our top priorities, and we are here to help you with any questions or concerns regarding your ZCO ZF 420X50.

Thank you for your attention to these safety instructions. Enjoy using your ZCO ZF 420X50 responsibly and safely!
