

# ZCO ZF 4-20X50 - Black - MPCT1X - ccw - 10 MIL - NL

## [Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the ZCO ZF 420X50.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Optical Safety:** Avoid looking directly at the sun through the scope, as this can cause permanent eye damage.
- **Mounting Safety:** Ensure that the scope is securely mounted to prevent it from loosening or falling during use.
- **Environmental Safety:** Do not expose the product to extreme temperatures, moisture, or harsh chemicals.
- **Weight Consideration:** The product weighs 986 g; ensure that your mounting platform can support this weight without compromising stability.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a stable and suitable mounting platform for the ZCO ZF 420X50.
- Follow the manufacturer's instructions for mounting the scope securely.
- Ensure the scope is aligned properly with your firearm or equipment.

### 2. Usage:

- Adjust the magnification according to your needs, ranging from 4x to 20x.
- Utilize the height adjustment feature to accommodate your shooting position.
- Maintain a proper field of view by adjusting the focus as necessary.

### 3. Maintenance:

- Clean the lenses with a soft, dry cloth to avoid scratches.
- Store the product in a dry and safe place when not in use.
- Regularly inspect the product for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for the materials used in the product.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines and instructions, you can ensure safe and effective use of the ZCO ZF 420X50. Thank you for your attention to safety.
