

ZCO ZF 4-20X50 - Black - MPCT1X - ccw - 10 MIL - lock

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

ZCO ZF 420X50 Safety Instruction Guide

Introduction

Thank you for choosing the ZCO ZF 420X50. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the ZCO ZF 420X50 to understand the safety guidelines, precautions, and proper usage.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Always handle the product with care to avoid accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through official channels.

Specific Safety Precautions for Use

- *Avoid direct exposure to bright sunlight or extreme temperatures, as this may affect the optical performance.*
- *Do not disassemble or modify the product, as this may lead to malfunction or safety hazards.*
- *Use the product only for its intended purpose to prevent accidents.*
- *Ensure that the mounting system is secure before use to avoid the risk of the product detaching during operation.*
- *Be cautious when adjusting the height settings, as improper handling may result in injury.*

Instructions for Installation and Usage

1. Installation:

- Ensure that the mounting surface is clean and free of debris.
- Securely attach the ZCO ZF 420X50 to the mounting surface according to the manufacturer's instructions.
- Verify that the product is level and stable before proceeding to use.

2. Usage:

- Adjust the magnification settings as needed for your specific application.
- Use the height adjustment feature carefully, ensuring that it is locked in place after adjustment.
- Regularly check the clarity and focus of the optical lens before use.
- When not in use, cover the lens to protect it from dust and scratches.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and optical equipment.
- Do not dispose of the product in regular household waste.
- If the product is no longer functional, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please reach out to the manufacturer directly through their official contact methods. Always refer to the product documentation for the most accurate and

relevant information.

By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your ZCO ZF 420X50. Thank you for your attention to safety and proper usage.
