

# ZCO ZF 4-20X50 - FDE - MPCT1X - ccw - 10 MIL - lock

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the ZCO ZF 420X50.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of optical sights.

## Specific Safety Precautions for Use

- Avoid looking directly at the sun through the scope, as this may cause permanent eye damage.
- Do not attempt to disassemble or modify the product; this may void the warranty and create safety hazards.
- Ensure that the mounting of the scope is secure before use to prevent accidents.
- Use the scope in a safe environment, free from distractions and hazards.
- Always ensure that the firearm or equipment to which the scope is mounted is handled safely and responsibly.

## Instructions for Installation and Usage

### 1. Installation

- Carefully read the manufacturer's instructions for mounting the scope.
- Use appropriate tools to securely attach the scope to the firearm or equipment.
- Ensure that the scope is aligned correctly for optimal performance.
- Check that all screws and mounts are tightened to prevent movement during use.

### 2. Usage

- Adjust the magnification settings according to your specific needs.
- Familiarize yourself with the reticle and its features before using the scope.
- Maintain a proper shooting position for stability and accuracy.
- Regularly clean the lenses with a soft, lintfree cloth to maintain clarity.
- Store the product in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please reach out to the designated support channels provided with your product.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your ZCO ZF 420X50. Thank you for your attention to these important safety instructions.
