

ZCO ZF 4-20X50 - Black - MPCT 2X - ccw - 10 MIL - NL

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

ZCO ZF 420X50 Safety Instruction Guide

Introduction

Thank you for choosing the ZCO ZF 420X50. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this guide carefully before using the ZCO ZF 420X50 to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product before use to identify any potential hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid looking directly at the sun through the scope, as it may cause permanent eye damage.
- Use the product only for its intended purpose. Misuse may result in injury or damage.
- Ensure that the mounting system is secure before use to prevent accidents.
- Handle the product with care to avoid mechanical damage.
- Do not modify the scope or its components, as this may compromise safety and performance.
- Always wear protective eyewear when using the product in environments where debris may be present.

Instructions for Installation and Usage

1. Installation:

- Carefully read the installation instructions provided with the product.
- Use appropriate tools to securely mount the scope to your firearm.
- Ensure that the scope is aligned properly for optimal performance.
- Check all mounting screws and components for tightness before use.

2. Usage:

- Adjust the magnification settings according to your shooting requirements.
- Use the height adjustment feature to ensure proper alignment with your target.
- Maintain a proper shooting stance and ensure that the firearm is stable during use.
- Regularly clean the lens and exterior of the scope to maintain clarity and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not throw the product in regular household waste.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the ZCO ZF 420X50, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you can ensure a safe and satisfactory experience with your ZCO ZF 420X50. Thank you for your attention to these important safety instructions.
