

# ZCO ZF 4-20X50 - Black - MPCT 2X - ccw - 10 MIL - lock

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

## Attributes

- Name: [ZCO ZF 4-20X50 - Black - MPCT 2X - ccw - 10 MIL - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730041
- Mfr. No.: ZCO4000585
- Color: Black
- Magnification: 20x
- Min. Magnification: 4x
- Objective Size: 50mm
- Reticle: MPCT 2X
- Delivery weight: 5kg

# Safety Instruction Guide for ZCO ZF 420X50

## Introduction

Thank you for choosing the ZCO ZF 420X50 scope. This product is designed to provide exceptional optical performance and mechanical precision for various applications. To ensure your safety and the optimal use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the ZCO ZF 420X50 scope by following all instructions and safety precautions.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices that may affect this product.
- **Online Shopping:** If purchased online, confirm that the retailer complies with safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on safety alerts related to this product.

## Specific Safety Precautions for Use

- **Handling:** Always handle the scope with care. Avoid dropping or subjecting it to strong impacts.
- **Mounting:** Ensure that the scope is securely mounted to prevent it from loosening during use.
- **Moisture and Dust:** Protect the scope from moisture and dust to maintain its optical performance. Use a lens cover when not in use.
- **Cleaning:** Use a soft, dry cloth to clean the lenses. Avoid using abrasive materials or harsh chemicals that may damage the optics.
- **Temperature Extremes:** Avoid exposing the scope to extreme temperatures for prolonged periods, as this may affect its performance.
- **Usage:** Do not use the scope for purposes other than those intended. Follow all usage guidelines provided.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before attaching the scope.
- Use appropriate mounting rings to securely attach the scope to the firearm.
- Align the scope properly with the firearm's sight line for accurate aiming.
- Tighten all screws and mounts to secure the scope in place.

### 2. Usage:

- Adjust the magnification according to your needs using the zoom control.
- Use the height adjustment feature to set the reticle to your desired position.
- Always check your surroundings before aiming to ensure safe shooting practices.
- After use, store the scope in a dry and secure place.

## Disposal Instructions

- **Disposal:** Dispose of the ZCO ZF 420X50 scope in accordance with local regulations regarding electronic waste.

- **Environmental Considerations:** Do not dispose of this product in household waste. Recycle where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the ZCO ZF 420X50 scope, please refer to the manufacturer's contact information provided with your purchase.

By following these guidelines, you can ensure the safe and effective use of your ZCO ZF 420X50 scope. Thank you for your attention to these important safety instructions.
