

# ZCO ZF 4-20X50 - FDE - MPCT 2X - ccw - 10 MIL - NL

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

## Attributes

- Name: [ZCO ZF 4-20X50 - FDE - MPCT 2X - ccw - 10 MIL - NL](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730042
- Mfr. No.: ZCO4000586
- Color: FDE
- Magnification: 20x
- Min. Magnification: 4x
- Objective Size: 50mm
- Reticle: MPCT 2X
- Delivery weight: 5kg

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50 scope. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully before using the scope to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions to prevent accidents.
- Regularly inspect the scope for any signs of damage or wear. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding the use of optical sights.
- Be aware of your surroundings and ensure a safe environment when using the scope.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- Avoid using the scope in extreme weather conditions, such as heavy rain or high humidity, unless it is specifically rated for such conditions.
- When adjusting the scope, do so gently to avoid damaging the mechanical components.
- Ensure that the scope is securely mounted to your firearm before use.
- Always point the firearm in a safe direction, even when the scope is not in use.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting location on your firearm that allows for a clear line of sight.
- Use appropriate mounting rings and tools to secure the scope firmly to the firearm.
- Ensure that the scope is level and aligned with the barrel of the firearm.

### 2. Usage:

- Adjust the magnification by rotating the magnification ring to your desired level (4x to 20x).
- Use the height adjustment feature to set the reticle according to your shooting position.
- Maintain a proper shooting stance and ensure a stable platform when aiming through the scope.
- After use, clean the lenses with a microfiber cloth to maintain clarity.

## Disposal Instructions

- Dispose of the scope and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs for electronic products.
- If the scope is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.

## Contact Information for Further Support

For any safety inquiries or support regarding the ZCO ZF 420X50 scope, please refer to the manufacturer's official contact points.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZCO ZF 420X50 scope. Thank you for your attention to safety.
