

ZCO ZF 4-20X50 - Black - MPCT 3X - ccw - 10 MIL - NL

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

Attributes

- Name: [ZCO ZF 4-20X50 - Black - MPCT 3X - ccw - 10 MIL - NL](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730044
- Mfr. No.: ZCO4000588
- Color: Black
- Magnification: 20x
- Min. Magnification: 4x
- Objective Size: 50mm
- Reticle: MPCT 3X
- Delivery weight: 5kg

ZCO ZF 420X50 Safety Instruction Guide

Introduction

Thank you for choosing the ZCO ZF 420X50. This highperformance optical device is designed to provide exceptional clarity and precision for various applications. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ZCO ZF 420X50 by following all instructions. This product meets the safety standards outlined by the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** Be aware of the possibility of product recalls. Stay informed by checking for any updates related to this product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra care should be taken when this product is used around children and vulnerable individuals.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact for this product.
- **Rapid Alerts:** Stay updated on any safety alerts regarding this product through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Eye Exposure:** Do not look directly at the sun or bright lights through the scope, as this can cause severe eye damage.
- **Secure Mounting:** Ensure that the scope is securely mounted to prevent it from becoming loose during use.
- **Proper Handling:** Always handle the scope with care to avoid dropping or damaging it.
- **Temperature Considerations:** Avoid exposing the scope to extreme temperatures, which can affect performance.
- **Cleaning and Maintenance:** Use only recommended cleaning materials and methods to avoid damaging the optical surfaces.

Instructions for Installation and Usage

1. Installation:

- Ensure all components are included in the package.
- Select a suitable mounting location on your firearm.
- Use appropriate tools to securely attach the scope to the mounting base.
- Check that the scope is level and aligned with the firearm.

2. Usage:

- Adjust the magnification as needed using the zoom control.
- Use the height adjustment feature to set the reticle to your preference.
- Always ensure your target is in focus before taking a shot.
- Regularly check the scope's settings and alignment before use.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations regarding electronic waste.
- **Recycling:** Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the ZCO ZF 420X50, please refer to the designated EU contact for assistance.

Thank you for your attention to these important safety instructions. Enjoy the exceptional performance of your ZCO ZF 420X50!
