

# ZCO ZF 4-20X50 - Black - MPCT 3X - ccw - 10 MIL - lock

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** Ensure that the ZCO ZF 420X50 is used according to the instructions provided. This product is designed for nonfood use and must be treated with care.
- **Enhanced Recalls:** Stay informed about product recalls. If a recall occurs, follow the instructions provided for a remedy or replacement.
- **Online Shopping:** When purchasing online, ensure that the platform meets safety requirements and that the product is genuine.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact for assistance.
- **Rapid Alerts:** Check the EU's Safety Gate platform regularly for updates on any safety alerts related to this product.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly into the sight when aiming at a bright light source.
- **Secure Mounting:** Ensure that the ZCO ZF 420X50 is securely mounted on your firearm to prevent accidents.
- **Regular Maintenance:** Inspect the sight regularly for any signs of damage or wear. If any issues are found, discontinue use and seek professional assistance.
- **Use in Appropriate Conditions:** The product is designed for outdoor use. Avoid using it in extreme weather conditions that may affect performance.
- **Proper Handling:** Always handle the sight with care to avoid dropping or damaging it.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before installation.
- Use the appropriate mounting equipment to secure the ZCO ZF 420X50 to the firearm.
- Adjust the height and alignment as per the manufacturer's recommendations.
- Tighten all screws and mounts securely to prevent movement during use.

### 2. Usage:

- Adjust the magnification settings according to your needs using the provided controls.
- Use the reticle to aim accurately at your target.
- Regularly check the clarity and focus of the sight before use.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the product responsibly. Do not dispose of it in regular household waste.
- **Recycling:** Check local regulations for proper recycling methods for electronic devices.
- **Hazardous Materials:** If the product contains batteries or other hazardous materials, ensure that they

are disposed of in accordance with local laws.

## **Contact Information for Further Support**

For any questions or concerns regarding the ZCO ZF 420X50, please refer to the manufacturer's website or your point of purchase for further assistance.
