

# ZCO ZF 4-20X50 - FDE - MPCT 3X - ccw - 10 MIL - NL

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

## Attributes

- Name: [ZCO ZF 4-20X50 - FDE - MPCT 3X - ccw - 10 MIL - NL](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730046
- Mfr. No.: ZCO4000590
- Color: FDE
- Magnification: 20x
- Min. Magnification: 4x
- Objective Size: 50mm
- Reticle: MPCT 3X
- Delivery weight: 5kg

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50 scope. This guide provides important safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the scope.

## General Safety Guidelines

- Ensure safe use of the ZCO ZF 420X50 scope by following these guidelines:
  - Always handle the scope with care to avoid damage.
  - Use the product only for its intended purpose.
  - Keep the scope out of reach of children and vulnerable individuals.
  - Regularly inspect the scope for any signs of wear or damage.
  - Do not attempt to disassemble or modify the scope.

## Specific Safety Precautions for Use

- When using the ZCO ZF 420X50, please observe the following precautions:
  - Avoid pointing the scope at any person or animal.
  - Do not use the scope in conditions that exceed its operational limits.
  - Be cautious when adjusting the mechanical system; ensure that your fingers are clear of moving parts.
  - Always ensure the scope is securely mounted before use.
  - Use appropriate eye protection when using the scope, especially in highrecoil situations.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the ZCO ZF 420X50 scope:
  1. **Installation:**
    - Ensure the firearm is unloaded before attaching the scope.
    - Mount the scope securely to the firearm using the appropriate mounting rings.
    - Adjust the scope to align with the firearm's sight line.
    - Tighten all screws and check for stability.
  2. **Usage:**
    - Adjust the magnification as needed, starting from the minimum setting (4x) to the maximum (20x).
    - Use the height adjustment feature to achieve a comfortable viewing position.
    - Check the clarity and focus of the image before taking a shot.
    - Always ensure the area is clear of obstructions before aiming.

## Disposal Instructions

- Proper disposal of the ZCO ZF 420X50 is important for environmental safety:
  - Do not dispose of the scope in regular household waste.
  - Follow local regulations for the disposal of optical devices.
  - If the scope is damaged beyond repair, consider recycling components where possible.

## Contact Information for Further Support

- For any safety inquiries or further support regarding the ZCO ZF 420X50 scope, please refer to the product packaging or visit the manufacturer's website for contact details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ZCO ZF 420X50 scope. Thank you for your attention to these important guidelines.
