

# ZCO ZF 4-20X50 - FDE - MPCT 3X - ccw - 10 MIL - lock

[Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

## Attributes

- Name: [ZCO ZF 4-20X50 - FDE - MPCT 3X - ccw - 10 MIL - lock](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730047
- Mfr. No.: ZCO4000591
- Color: FDE
- Magnification: 20x
- Min. Magnification: 4x
- Objective Size: 50mm
- Reticle: MPCT 3X
- Delivery weight: 5kg

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50. This product is designed to provide exceptional optical performance and mechanical precision. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to prevent damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any visible damage or wear before use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.
- Follow all local laws and regulations regarding the use of optical devices.

## Specific Safety Precautions for Use

- Avoid looking directly at the sun or any bright light source through the scope, as this can cause permanent damage to your eyesight.
- Do not disassemble or modify the product, as this may lead to improper functioning and void the warranty.
- Ensure that the mounting system is secure and properly installed to prevent accidents during use.
- Avoid exposing the product to extreme temperatures or moisture, as this may affect its performance.
- Use caution when adjusting the mechanical system; ensure that adjustments are made slowly and carefully to avoid sudden movements.

## Instructions for Installation and Usage

### Installation

#### 1. Select a Suitable Mounting Base:

- Choose a stable and compatible mounting base for the ZCO ZF 420X50.

#### 2. Secure the Scope:

- Attach the scope to the mounting base according to the manufacturer's instructions.
- Ensure that all screws and fasteners are tightened securely.

#### 3. Check Alignment:

- Ensure that the scope is properly aligned with the firearm or device it is mounted on.

### Usage

#### 1. Adjusting the Magnification:

- Rotate the magnification ring to set the desired level of zoom (4x to 20x).

#### 2. Focusing:

- Use the focus adjustment to achieve a clear image. Look through the scope and adjust until the

target is sharp.

### **3. Height Adjustment:**

- Use the mechanical height adjustment (up to 35 mils) to set the correct elevation for your shooting conditions.

### **4. Field of View:**

- Utilize the low magnification setting for a wider field of view during closeup procedures.

## **Disposal Instructions**

- When disposing of the product, follow local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For safety inquiries or assistance, please contact the manufacturer or your local retailer. Ensure that you have the product details available for efficient support.

By following these guidelines, you can ensure safe and effective use of your ZCO ZF 420X50. Thank you for your attention to these important safety instructions.
