

# ZCO ZF 4-20X50 - Black - Tremor 3, CCW - 10 MIL - NL

## [Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

## Attributes

- Name: [ZCO ZF 4-20X50 - Black - Tremor 3, CCW - 10 MIL - NL](#)
- Manufacturer: [ZCO Zero Compromise Optics](#)
- Product no.: BRD730048
- Mfr. No.: ZCO4000592
- Color: Black
- Magnification: 20x
- Min. Magnification: 4x
- Objective Size: 50mm
- Reticle: Tremor 3, CCW
- Delivery weight: 5kg

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50 riflescope. This guide provides essential safety instructions to ensure the proper and safe use of your product. Please read this document carefully before using the riflescope to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Always handle the riflescope with care to prevent damage.
- Do not look directly at the sun or other intense light sources through the riflescope, as this can cause serious eye injury.
- Ensure the riflescope is securely mounted to avoid accidental dislodgment during use.
- Keep the riflescope out of reach of children and vulnerable individuals to prevent misuse or accidents.
- Regularly check and maintain the riflescope to ensure it functions correctly and safely.

## Specific Safety Precautions for Use

- Use the riflescope only for its intended purpose, which is to enhance aiming accuracy in shooting sports.
- Avoid using the riflescope in extreme weather conditions (heavy rain, snow, or fog) unless it is specifically rated for such conditions.
- Do not attempt to disassemble or modify the riflescope, as this may compromise its safety and performance.
- Ensure that the riflescope is adjusted and calibrated correctly before each use to guarantee accuracy and safety.
- When using the riflescope, maintain a safe distance from the firearm's muzzle to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the manufacturer's instructions for mounting the riflescope.
- Ensure that the mounting base is compatible with your firearm.
- Use appropriate tools to secure the riflescope to the firearm, following the torque specifications provided by the manufacturer.
- Check that the riflescope is level and aligned with the firearm's barrel.

### 2. Usage:

- Before using the riflescope, ensure that you are in a safe shooting environment.
- Adjust the magnification to the desired level, starting with the lowest setting for easier target acquisition.
- Use the height adjustment feature to finetune your aim, ensuring that the reticle is aligned with your target.
- Always keep both eyes open when aiming to maintain awareness of your surroundings.
- After use, securely cover the lenses to protect them from dust and scratches.

## Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic waste.
- Do not dispose of the riflescope in regular household waste.
- If the riflescope is damaged or no longer functional, contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or functionality of your ZCO ZF 420X50 riflescope, please refer to the manufacturer's customer support resources. They can provide assistance and address any safety inquiries you may have.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your ZCO ZF 420X50 riflescope. Always prioritize safety and responsibility when handling firearms and related equipment. Thank you for your attention to these important guidelines.
