

# ZCO ZF 4-20X50 - Black - Tremor 3, CCW - 10 MIL - lock

## [Optics & Mounting](#) > [Electronic Sights](#)

The ZCO ZC420s offer unrivalled optical performance and mechanical precision in an ultra-compact design.

With a length of 325 mm and a weight of only 986 g, they are ideal for applications that require maximum performance in a small size. The low magnification allows a wide field of view for close-up procedures, while the mechanical system offers a height adjustment of 35 mils.

Outstanding optical performance includes clarity, light transmission and resolution that set new standards.

The total light transmission is 92% and colour rendition is excellent.

The ZC420 are available in black and FDE.

# ZCO ZF 420X50 Safety Instruction Guide

## Introduction

Thank you for choosing the ZCO ZF 420X50 scope. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the scope to understand the safety measures, installation procedures, and proper usage.

## General Safety Guidelines

- Ensure the scope is used only for its intended purpose as described in this manual.
- Always handle the scope with care to avoid damage.
- Keep the scope out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the scope for any signs of damage or wear before use.
- If you notice any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause permanent eye damage.
- Ensure that the scope is securely mounted to prevent it from falling or becoming dislodged during use.
- Use the scope in accordance with local laws and regulations regarding firearms and optics.
- Avoid using the scope in extreme weather conditions that may compromise its integrity.
- Be aware of your surroundings when using the scope to avoid accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded before mounting the scope.
- Use appropriate tools to securely attach the scope to the firearm's mounting system.
- Confirm that the scope is properly aligned with the firearm's barrel.
- Tighten all screws and mounts to ensure stability.

### 2. Usage:

- Adjust the magnification from 4x to 20x as needed for your specific application.
- Use the reticle (Tremor 3, CCW) for accurate aiming and target acquisition.
- Make height adjustments using the mechanical system as required for your shooting position.
- Always maintain a proper shooting stance and ensure a safe backdrop before firing.

## Disposal Instructions

- Dispose of the scope in accordance with local waste management regulations.
- Do not dispose of the scope in regular household waste.
- If the scope is damaged beyond repair, consult local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for following these safety instructions. Your attention to safety will enhance your experience and ensure the optimal performance of your ZCO ZF 420X50 scope.
